REAPPOINTED to a three-year term as a member of the Tri-City Regional Port Authority board of directors this week by Gov. Kerner was Joseph A. Grant of Granite City, an international vice-president of the Boilermakers Union.

Grant Reappointed To Port Authority Board

Gov. Otto Kerner this week appointed Joseph A. Grant to a second three-year term as a member of the board of directors of the Tri-City Port Authority. Grant, who is an international vice-president of the Boilermakers Union, resides at 2104 Garfield avenue. He was a member of the original board of directors when the port authority was created in 1959.

The terms of three other members of the board expire this year. They are William Beatty, Harry Hartman and Austin Lewis. All have served three-year terms as representatives of the cities of Granite City, Venice and Madison, respectively.

Other board members and the year their terms expire are Henry D. Karandjeff, 1963; Harold Fischer, 1964; and Carl Rant, 1964.

Alibi Lounge Appeals To State

Notification that the Alibi Lounge would be permitted to continue open with the filing of an appeal to the state Liquor Control committee was received this week by Gus Haller, chairman of the Madison county Liquor Control committee, who last week revoked the county liquor license for reason of prostitution.

Haller told the Press-Record yesterday the tavern's county liquor license was confiscated last Thursday by the sheriff's office, but that he was advised this week by Howard Cartwright, acting chairman of the state liquor board, that the tavern would be permitted to be open while the appeal to the state is pending.

No date has been set for the appeal hearing at Springfield, Haller said. The county revocation was handed down last Thursday afternoon following a hearing at Edwardsville. Testimony was given that a woman, Kary Lynn Lang, 22, had pleaded guilty to a charge of prostitution following a Feb. 21 raid by county and state authorities.

Two-Car Collision

Cars driven by Pauline M. Mayo, 42, of 1813 Alton, Madison, and Bobby B. Whitford, 25, of 2126 Dewey avenue, collided Tuesday at 23rd street and Illinois avenue. Both were damaged, police said.

Pupils Tested In Physical Fitness Week Observance

For the third year, the Granite City school district is conducting physical fitness tests among fifth through ninth graders and will send the test reports to parents next week as part of its observance of National Youth Fitness Week May 6-12.

Tests to be reported are pull-ups, situps, 50-yard dash, shuttle race, standing broad jump, softball throw for distance and 600-yard walk and run. Miss Barbara Kerch, supervisor of elementary schools' physical education and the junior and senior high girls' physical education program, reported today.

Each chart will show the score attained and the national percentile score for boys or girls of similar height, weight and age. Thus, each parent can compare his child's performance in each category with the national average.

"In general, these test scores may be regarded as an indication of general motor ability and physical fitness," Miss Kerch said.

80 Score Superior

"Moreover, they have some value in predicting success in activities that involve jumping, throwing and running. A percentile score of 60 or better in all of the items indicates better-than-average fitness, and a score of 80 or more in any item may be considered superior."

"Youth Fitness Week" has been proclaimed nationally by President Kennedy in Illinois schools by State Supt. Wilkins and locally by Mayors Davis, Macraes and Lee.

Annual elementary school "sports days" will be held in Granite City May 21, 22, and Tuesday, May 23.

While statistics on local youth fitness have not been announced, a comparison of British and American children by the American Association for Health, Physical Education and Recreation shows a "shocking" lack of fitness among U. S. children.

Effect Of Way Of Life
The comparison is described as showing that "the rapidly changing mode of American life is leaving its imprint on the basic physical fitness of American youth."

"British boys, on the average for all tests and for all ages, were at the 64th percentile for U. S. performance scales. Thus, the British average overall was 14% higher than for American boys. The gap would have been 20% higher had the tests involving throwing been eliminated."

"British girls were at the 73rd percentile of U. S. performance scales. Eliminating the test of arm power, the remaining average percentile would be 77, indicating that only 23% of U. S. girls would exceed the British mean, thereby showing very poor physical fitness of American girls."

Charged with driving without a license, destruction of property and careless driving, she was released on bond to appear for a hearing later this week.

Televised Discussion
Mrs. Brice Ford, 807 Bissell street, West Madison, representing the Dunbar school PTA, will be one of three persons asking questions of three panel members on "Moral and Character Education" on TV Channel Five from 2:30 to 3 p.m. Saturday.

The panel will include Mrs. G. D. Collins, Aurora, Illinois, PTA president. Mrs. Ford is PTA District 29 spiritual and character chairman.

girls in comparison to their British counterparts at ages 10 to 16.

"The British mean scores should not be looked upon as perfect norms. In the last decade, professional physical educators in Great Britain have become alarmed at the trend toward passive activities, such as television, motor and bus travel substituted for walking, 'spectatoritis' and others. They also have been constantly striving for more and improved physical education in their schools to combat these influences which reduce fitness levels."

"The lower physical fitness condition of U. S. youth is serious," the AAHPER believes. "The physical fitness of a nation is definitely not displayed in the showing of its Olympic team, nor by its economic or literary stature, but by what its individuals can actually do. U. S. youth does not display good physical fitness when looked at from these criteria."

Firm Designated For Nameoki Twp. Sewer Survey

Nameoki town board members last night approved a resolution designating H. W. Lochner engineering firm of Chicago to prepare an application to the Federal Housing & Home Finance agency for federal planning funds for a sanitary sewer system within the township.

The firm has been conducting preliminary surveys in the township under authorization of the East Side Levee & Sanitary District.

Supervisor Harry Briggs said he has written for an application and that it will take six to eight weeks to receive it. "We plan to take it personally to the agency office in Chicago," he said.

In other business, the board approved a \$20,000 tax anticipation warrant for the road and bridge fund. One other tax warrant in the amount of \$15,000 is outstanding for the fund, Briggs said. The new warrant is to finance hard road work in the township.

The board voted again to change its regular meeting times. Sessions are to be held on the first and third Tuesdays of each month at 7 p.m. in the town hall.

Car Crashes Through Side of Pool Hall
Lucille Holmes, 49, of 71 Lee Wright Holmes, Venice, was arrested after her car ran through the side of the Fletcher Pool Hall, 1000 Calhoun avenue, at 1:48 a.m. today.

She told police she was driving south on Weaver street when she lost control of her car and crashed into the west side of the building. The car went through the wall, causing heavy damage. A pool table inside also was damaged.

Charged with driving without a license, destruction of property and careless driving, she was released on bond to appear for a hearing later this week.

MORE ABOUT

Mississippi River as required by the state. With the separated sewer system, the city would save thousands of dollars a year operating costs in addition to \$1,700,000 construction costs for building a treatment plant. A plant large enough to handle the city's combined sanitary and storm water, sewage would cost \$2,900,000, while if the combined sewer system is separated, the construction cost would drop to \$1,200,000.

Monday evening's heavy rain resulted in hoisting on city streets. Residents saw new lawns and even newly-planted shrubbery float away. Bobbing manhole covers were reported in virtually every section of the city, creating additional hazards.

Waders carrying shoes and stockings, again were common sights. Street department employees worked almost around-the-clock to clear blocked sewer lines to prevent the sewage backing up into homes and to clear streets of water. Low places were still under water yesterday, other flooded streets were cleared by Tuesday afternoon, as street workers used fire hoses to blow out lines clogged with debris and sewage.

9th Annual Retailers' Sweepstakes Begins

Cash certificates totaling \$4200 will be given away here between May 12 and 26 during the ninth annual retail sales promotion sweepstakes sponsored by the Associated Retailers and Civic Association, according to Stanley Schermer, who is chairman of the association's area-wide sales promotion.

The sweepstakes opens today, when customers at participating stores in Granite City, Madison, Venice and Mitchell will receive one sweepstakes ticket for each \$1 purchase.

Weekly awards of \$1400 in cash certificates, redeemable at any of the participating stores, will be made on May 12, 19 and 26. During each of the three weeks, 56 winners will receive \$25 cash certificate books.

Each book will contain ten \$1 certificates and three \$5 certificates, making it possible for the winner to redeem the book at more than one participating store.

Girl Scout Council Sets Camping Period Dates

Established and troop camping dates at the River Bluffs Girl Scout campsite, Camp Outa-toga, were announced this week by the council, which includes all Girl Scout units in the Quad-Cities.

Three weeks of troop camping will be held June 10-16, June 17-23 and June 24-30. Established camping dates are listed as July 7-13 and July 20-Aug. 1.

Established camping is for individual girls from all areas throughout the River Bluffs jurisdiction. Activities will include nature lore, swimming, handicraft, hiking, outdoor cooking, games, overnight camping away

from the established camp, folk dancing, singing and campcraft. Established camp director will be Mrs. James White of Jerseyville.

Troop camping periods are reserved for troop units and their leaders who plan their own week-long programs. Registration for the camp is by troop, and no individual registrations are accepted.

Applicants are being screened for the camp staff at the present time, according to the council, and camp registration applications are being accepted by mail by the River Bluffs Council, Box 95, East Alton.

Discuss Plans For Annual BIA Dinner

Howard W. Kaseberg, chairman of the Tri-Cities Chamber of Commerce Agriculture Committee, met with other members Tuesday night at a local restaurant to discuss plans for the annual Business, Industry and Agriculture banquet.

Wednesday, Sept. 19, was set as first choice for the dinner

date, with Sept. 20 as an alternate. The committee agreed to contact a nationally-known nature writer as possible speaker for the occasion.

PROMOTED AND TRANSFERRED by the local American Steel Foundries, Inc., plant is Marion D. Compton, formerly supply agent here, who this week became assistant general purchasing agent of the firm's general offices in Chicago. Compton resides with his wife and daughter in Ferguson, Mo., and has been employed at the local plant 25 years.

Atty. Clark Rules On Chest X-rays, Precinct Residency

Attorney General William G. Clark has advised State's Attorney Bruce Irving of Pike county that the county board of Pike county does not have authority to require an annual chest x-ray of persons engaged in handling food.

Illinois statutes provide that a candidate for precinct committeeman must be a "bona fide resident" of the precinct where he seeks to be elected precinct committeeman, Attorney General Clark has advised State's Attorney William J. Bauer of Clark's opinion. A county clerk, Clark's opinion said, is a ministerial officer lacking judicial powers and has no choice but to issue a certificate of election to a person elected precinct committeeman. Clark's opinion further held that it will be up to the DuPage County Central committee to determine whether in such a case a vacancy exists in the office of precinct committeeman. If it is determined that a vacancy exists, it is filled according to the rules and usages of the party, Clark's opinion said.

A defendant in a criminal case charging statutory rape is to be governed by the law in effect at the time he committed the crime, Clark has advised State's Attorney Carl D. Sneed of Williamson county.

A county cannot lease its property for oil and gas purposes. However, the opinion held, where the county owner the surface as well as the mineral rights in property, it could sell and convey by a mineral deed the mineral rights to such property.

Illinois' new Uniform Commercial Code, which became effective July 1, 1962, requires that a county recorder keep an "index" of financing and continuation statements filed in a bound book or a book with pages fastened together in some degree of substantial permanency. An unbound system of catalogued cards would not constitute such a book, Clark's opinion advised State's Attorney Richard Mills of Cass county.

Illinois' new Uniform Disposition of Unclaimed Property Act does not repeal or affect laws favoring counties in the Escheat and Probate Acts.

The compensation of a person appointed to fill the unexpired term of highway commissioner cannot be increased during that term, Clark has advised.

A cemetery association cannot bar placement of government markers upon the graves of veterans simply because it has markers of its own for sale. Clark has advised Edward B. Akin, Administrator of the Illinois Veterans' Commission.

then transferred to Barnes Hospital in St. Louis. He was listed in critical condition with a severe head injury, lacerations of the head, chin and right hand, broken teeth, a broken jaw and fractured collar bone.

An unemployed butcher, he is one of 11 children of Mr. and Mrs. Ted A. Lee living at the family's farm home.

2 Hurt On Bridge

Two cars met head-on Tuesday afternoon on the Chain of Rocks bridge. A car going west, driven by Mrs. Bernard Pearson, 43, of Peru, Ill., slipped on a curve and skidded into the path of a car going east driven by Mrs. Michael Tretter, 42, of Edwardsville. Mrs. Tretter was x-rayed for a leg injury at St. Elizabeth Hospital and released. Mrs. Pearson was treated for cuts on the face and chin and released.

Mrs. Pearson's daughter, Cynthia Zulawick, 14, received a bump on the head. Michael Alvarado, 12, nephew of Mrs. Pearson was not injured.

A collision on McCambridge avenue at Second street at 11:50 a. m. Tuesday injured Dorothy Timmons, 39, of 539 Margaret avenue. Mitchell, who was taken by ambulance to St. Elizabeth Hospital for treatment and was admitted for observation. Both cars were towed from the scene.

Her auto was going east on Second and turning onto McCambridge, while Robert Brooks, 31, East St. Louis, a Granite City Steel Co. employee, was driving north on McCambridge. Brooks, who reported damage to the front end, was booked for reckless driving and was released on bond until a hearing Saturday.

Ruth W. Jones, 32, of 2434 East 25th street, was slightly injured Monday afternoon in an accident on East 23rd street near Lake school. The car she was driving was struck from the rear by another driven by Sam E. Pershall Jr., 35, of 2602 State street. An arrest ticket was issued to Pershall for driving too fast for road conditions. It was raining at the time of the collision.

Descriptions of the two men were vague, police said.

Tavern Burglary. Rome and Roy's tavern in the 2400 block of Madison avenue was entered by burglars last night. Entry was gained by breaking a front window. Drawers were ransacked and a juke box, its control selection box and a cigarette machine forced open. About \$2 in change was taken from a glass. Loss from the machines was not determined.

Machine Looted Of \$32. The theft of \$32 from a popcorn machine in a laundry at Pershall blvd. and Nameoli road was reported to police Tuesday. The machine was damaged by the burglar.

Tires Taken Off Two Trucks. Two similar thefts were reported Monday to Granite City police only minutes apart. Charles Smith, a truck driver from Pine Bluff, Ark., said a tire and wheel were stolen from his vehicle as it was parked at 17th street and Grand avenue. Minutes earlier, Ed McKee, a truck driver from Lodi, O., had reported a tire and rim stolen from his truck as it was parked at 17th

16th and Cleveland blvd.

Purse Taken. Donna Gallia, of 1601 Mitchell avenue, lost a small brown purse Monday. It contained her keys, driver's license, personal papers, a wallet and \$3 in cash. She told police that it disappeared from the counter of a store along 19th street where she had placed it.

Clothing, Titles Taken. Articles were stolen from the unlocked auto of Joe Crimi. St. Louis used car dealer, while it was parked on Sixth street near Madison avenue between 10:15 and 10:45 p. m. Tuesday. Listed were a Sinc 26 navy blue suit, Size 36 brown striped suit, a toy white cat and a light brown leather briefcase containing four auto titles, canceled checks and car sales records.

Oliver Meyers, of 726 Twenty-eighth place, reported the theft of a fishing reel and tackle box from his car Monday. The vehicle was parked at 21st and Adams street.

Ed Takmanian, of 1740 Olive street, reported the theft of two hubcaps from his car Wednesday. The vehicle was parked at a bowling alley on Nameoli road, he told police.

Noah Morelan, of 2420 Centre street, told police today that a battery was stolen from his parked car during the night. He valued it at \$12.

Jennings also is charged with the March 16 robbery of a Freeburg truck driver, and Arnold Pratt, 27, Venice, is charged with the March 16 robbery-murder of a Mitchell truck driver, both in the Madison-Eagle Park Acres area. The murder weapon allegedly was a part of the Lamp Post restaurant lost.

The Jennings robbery charge and the charges against Pratt are scheduled to be heard June 18 in the circuit court.

Eugene Brown, 18, pleaded guilty yesterday to theft of \$50 worth of clothing from a home in Venice and applied for probation. His hearing was set for 9:30 a. m. May 21.

Misinformation On Madison Auto Victim

Word that a Madison man was killed in a St. Louis traffic accident this morning apparently is incorrect, the result in a mix-up in addresses. St. Louis authorities said at noon today, St. Louis police list one of two victims of a crash on the Third street highway at 8:50 a. m. as Kenneth Colbert, 49, of 114 West First street, Madison. There is no such address in Madison, and local directories list no one of that name.

A spokesman for the St. Louis police department said he believes the man is from another city, and his address was listed as Madison by error.

Queens, festivals and rodeos enliven California's beautiful Imperial Valley. Once a desert, it now, through irrigation, is a year-round Eden of fruits and vegetables. In January, El Centro celebrates its \$19 million lettuce crop with a Lettuce Festival complete with Queen and gorgeous girls. February's Jid Winter Fair and rodeo honors the cattle industry, while nearby Holtville's Carrot Carnival features a Miss Imperial Valley and children appear in the parade disguised as gay little bunnies.

The fun-under-the-sun Magic Circle auto tour is east from El Centro through the Sand Hills, an American Sahara and famous as a location site for Hollywood epics. Here "dune buggies," sound-up specially built jeeps, roar over the high, treacherous sand hills for weekend thrills. Side trips offer rockhounding, and fishing and boating at the Colorado River dam.

Across the line in Arizona Yuma's grim, historic Territorial Prison is now a museum of fascinating exhibits ranging from Indian artifacts to bull skulls. Crossing the international border into old Mexico, you are suddenly in another world. San Luis boasts beautiful modernistic schools, a cathedral with yellow-tiled domes, handsome bull ring and pastel-bued cemetery.

Hearing Is Set For Man On Contributing Charge

A hearing has been set for June 1 for Tom Carlton, 45, of

the Steven hotel in Granite City. He was arrested Tuesday for contributing to the delinquency of a minor.

He appeared in magistrate court Wednesday and was released on \$500 property bond.

On an additional charge of disorderly conduct he was fined \$250 and put on probation for one year. Two hundred dollars of the fine was suspended.

4 Local Taverns Surrender Their Gambling Stamps

(Special from Springfield)

Nine Madison county tavern operators, including two from Granite City and two from Madison, appeared before the Illinois Liquor Control Commission in Springfield Tuesday and voluntarily surrendered their internal Revenue department gaming or wagering stamps.

All were ordered to appear and show cause why their Illinois retail liquor licenses should not be suspended or revoked for possession of the stamps which, under the commission rules, is prima facie evidence of conducting gambling.

Surrendering their gambling stamps from Granite City were James L. Atkins of J&E Tavern, 2542 Highway 150, outside the city limits, and Mae Bangert, Miss Mae's Tavern, 1360 Edwardsville road.

Madison establishment proprietors who turned in the stamps were Clayton Harrison, Jug's Hideaway, 925 Grand avenue, and Johnny Lewis, Johnny Lewis Tavern, 1500 Fourth street.

It has become the pattern since the commission began a crackdown on licensees possessing gambling stamps several months ago for operators to surrender their stamps, hoping that the action will act in mitigation of whatever penalty is invoked.

All cases are taken under advisement and suspended licenses or revocations in the past have been announced within a period of two or three weeks after a hearing.

There were 20 St. Clair county licensees who also surrendered their gambling stamps Tuesday.

Other Madison county taverns which surrendered the stamps were the 402 Tavern in Edwardsville, Highland County Club in Highland, Bakers Inn in East Alton, Ken & Leo's Tavern in Cottage Hills, and Premo's Tavern in Glen Carbon.

Intruder Interrupts Women's Club Meeting

An invited guest was bitten by an uninvited one Tuesday night at the home of Mr. and Mrs. Victor J. Shanta Jr., of 1849 Spring avenue. And when police tried to eject the intruder, a patrolman was bitten.

It all happened when the Junior Maecenas club, a federated women's club, was holding a monthly meeting at the Shanta home.

Hearing a noise outside, Mrs. Shanta opened the door, thinking it was her dog wanting in. In walked a strange chihuahua, apparently lost and appearing somewhat frightened.

Mrs. James Kelahan, of 2832 Dale avenue, leaned over to pet the animal and comfort it. The dog gave her a sharp nip on the hand. From that time on everyone was afraid to pick the dog up.

An attempt was made to coax him out with food but that did not work either. About 10:40 p.m. the police were called in on the case.

While removing the dog Patrolman Dusan Gagic also was bitten.

Mrs. Kelahan's bit was not serious but she took a tetanus inoculation as a precautionary measure. She said she thought the dog was merely frightened.

Arrested At Traffic Light

Ronald E. Vayette, of 1632 Primrose avenue, posted \$11 cash bail Wednesday when he was given an arrest ticket on a charge at running a red blinker light at 20th street and Madison avenue.

Civics Class Offers Comment (Mostly Critical) On Primary

An 80-member senior civics class at Granite City high school has taken a poke at voter apathy, contradictory statements by candidates, and voters' lack of thought as to qualifications of candidates.

The class recently completed a survey of the recent primary elections in Illinois, with special attention to Madison and St. Clair county primaries, under the supervision of Albert S. Lewis, social studies instructor at GCHS.

The students came up with some interesting information, Lewis said, and also some general recommendations for candidates, election analysis which, if followed, could make them more intelligent voters.

Completed Scrapbook
Each member of the class compiled newspaper clippings, campaign literature and information from personal interviews with candidates in the form of a scrapbook.

Some attended political rallies and compared statements by candidates for the same office. Others talked issues and proposed programs with the candidates in a unit which began in January and continued one week past the election.

"Emphasis was placed on political parties providing the means by which citizens select together to choose candidates for public office," Lewis said. "Each student explored how a candidate can influence the people, how election funds can be prevented and how the truth of political propaganda can be determined."

Chief points stressed at the conclusion of the survey, plus an analysis in some cases, resulted in the following general conclusions by the class:

1. The majority of voters are of the same party as their parents. Citizens should be urged to judge each candidate on his individual merits, not on his party influence.

2. Many voters supported county and state candidates because they were well-known and not because the voters had an interest in the men who run their county and state governments and represent them in Congress.

3. Madison and St. Clair county Democratic races appeared to be largely between two democratic factions or "machines."

Lack of GOP Candidates
4. The Republican party had many county offices without candidates, endangering the two-party system in Madison county.

5. There were many instances encountered of candidates contradicting each other and themselves. Some candidates based their campaigns on the premise "keep this office out of politics."

6. A generally light turnout of voters for the primary was dangerous to the democratic election process and gave a few people too much influence in the selection of party candidates.

"This project was a change-of-the learning process for the development of citizenship attitudes and skills," Lewis said. "Many of the participating students concluded that the right to nominate is an important as the right to elect, and that each voter has the responsibility to participate in party politics."

Mr. Ava Betts Dies Enroute To Hospital
Mrs. Ava Marie Betts, 54, of 1101 Grand avenue, Madison, was dead on arrival at St. Elizabeth Hospital at 8:30 p.m. Monday, after she had been sent there by a local physician following a heart attack at home.

A son, Paul L. Day, with whom she made her home, said Mrs. Betts was hospitalized six weeks earlier this year for a heart ailment. After she became ill Monday evening, he said, he took her to the doctor.

Upon examination, the physician suggested that Mrs. Betts be hospitalized. Day said his mother died on the way to the hospital.

A native of Pototsi, Mo., she had lived in Madison most of her life.

Survivors, in addition to the son, include three daughters, Mrs. James (Billie) Padavano, Granite City, Mrs. Rao (Shirley) Zerkulien, Madison, and Mrs. Jacquelyn Youngerman in Chicago; two brothers, John Sparks of Wood River and Charles of Sidney, Neb.; two sisters, Mrs. Charles (Mildred) Mercer and Mrs. Jess (Helen) Essmeyer, both of Pototsi, and eight grandchildren.

Funeral services were conducted this afternoon at a Madison funeral home, with interment in Sunset Hill Cemetery.

An obituary notice appears elsewhere in this issue.

Madison Cancer Drive Nets \$1935 To Date

Mrs. Virginia Ditch, chairman of the Madison Cancer drive, today reported collections of \$1935. The drive will end Saturday.

Collections from Madison proper totaled \$635 and from Dow Metal Products Co., \$1300. Still unreported is the result of the mailed appeal to businessmen.

Mrs. Ditch said she expects to make a final report on collections Monday.

She said many mothers voluntarily took part in the drive and pointed Mrs. Christine Hanes, chairman for West Madison, who stepped in only a week ago to head the drive.

Mrs. Hanes substituted for Mrs. Beulah Williams, who took ill and was hospitalized.

117 Voice Venice Chorus To Give Public Program

A program of 20 selections—ranging from "The Battle Hymn of the Republic" to "Alvin's Harmonica"—will be given by the Venice grade school chorus at 1 p.m. tomorrow in the school gymnasium. The public is invited.

Miss Alice Purdes, director, said the 117 member chorus will include students from the first grade through the eighth. The younger students will be featured in some of the performances.

Eight of the numbers on the program will be done by the full chorus, while the others will consist of solos, vocal groups, a "twist" demonstration and instrumental.

Miss Purdes said she began using the first and second grade students in the chorus some time ago on an experimental basis. "It is unusual to use the younger children in a choral group," she said, "but I have found it to work very well."

Accompanist for the program will be Mrs. Jessie Tackaberry.

Selections On Program

Numbers to be sung by the entire group include "The Happy Wanderer," "Sweet and Low," "Steel Away," "Swing, Low, Sweet Chariot," "Bones," "Gee, but I want to go Home," "Battle Hymn of the Republic" and

"Now the Day is Over."

Other numbers include "Alvin's Harmonica" by second grade students Dennis Mize, Kurt Kimbro and Johnny Blattner; "Michael" by Gary Wallen and Larry Puett, both sixth graders, and a "twist" demonstration by Christine Rumpf, first grade, Chuck Hornman, third grade, Cindy Bosworth, sixth grade, Chuck Barritt, seventh grade and Sammy Becerra and Margaret Taylor, both eighth grade students.

Dennis Mize will sing "Teacher's Pet," seventh grader Roddy Bauder will sing "Somebody Bigger Than You and I," and Chuck Barritt will sing "Back in the Saddle Again," accompanied by Michael Essonpreis, seventh grade, on the guitar.

Fifth graders Barbara Blattner, Karen Devany, Don Spiller and Boyce Dillman will sing "You Belong to Me," fourth grader Billy Young will sing Jason's "Me and My Shadow," and Richard Essonpreis, seventh grade, will sing "Blue Bird of Happiness."

"I'm a Little Devil," a composition by Miss Purdes, will be sung by Michael Hayden, first grade; Linda Presswood, fifth grade, will sing "Zip-a-doo-doo-dah," and Roddy Bauder will play "Exodus" and "Sweet Lullaby" at the organ.

Kiwanis Club Views Film On Iron, Steel

Despite the torrential downpour, 18 members turned out Monday night to the weekly meeting of the Granite City Kiwanis club. A steak dinner was served even though the kitchen floor flooded to a depth of about four inches at the Elks club, where the meetings are held.

The program for the evening was a film put out by U.S. Steel entitled "Rhapsody of Steel."

The film traced the discovery and development of iron and steel from a time, possibly 50,000 years ago to the present. According to the film, meteoric iron was discovered in its natural state by prehistoric men of the old stone age. Though this was long before smelting was discovered, such native iron was heated and beat into weapons.

After the discovery of smelting, iron and steel were produced in India and Damascus, according to the film, and as early as 1200 B.C. Egyptian armies fought with iron weapons.

It was illustrated how modern man has come to rely on the steel industry for thousands of items with which he directly or indirectly comes into contact with daily. In contrast, it was shown that in the early days steel was priced at an equivalent weight in gold, making it so expensive that only the richest could afford steel weapons.

Cub Pack 96 Plans Pinewood Derby May 28

Cub Pack 96, sponsored by Maryville school PTA, met in the school gym Monday night.

Due to the inclement weather only two dens attended. Dens Two and Three, under the direction of Mrs. Ruth Todd and Mrs. Adeline Woodruff presented skits in keeping with the theme for the month "Minstrels."

Cubmaster John Doroghazi announced plans for the pinewood derby to be held at the next regular meeting. This is the last meeting at which Doroghazi will preside. He has resigned as Cubmaster, after serving two terms, and will now serve the pack in the capacity of neighborhood commissioner.

After the business meeting, refreshments were served to the Scouts and their parents. The next meeting will be May 28.

Ruckriegel Awarded NY Journalism Fellowship

Donald Ruckriegel, 2033 East 27th street, English teacher and advisor to the Granite High World student newspaper, was notified Tuesday that he had been awarded a journalism fellowship at the University of Georgia, Athens, Ga., by the Newspaper Fund of New York.

Ruckriegel will attend a six-week seminar at the university. The award is based on past experience and desire of the individual to further his education.

Ruckriegel has resigned his post at the high school and plans to seek other employment.

The 117 member musical group will present eight selections. Also in the program will be a dozen solos and other numbers. Accompanist is Mrs. Jessie Tackaberry.

Flavor whipped cream with light brown sugar and dark rum, serve with steamed pudding.

Mercer Funeral Home has a shot at the early season league leaders and Sacred Heart seeks to even its record on the road in Sunday afternoon inter-city baseball games involving local teams.

Mercer, which routed Troy last week, 23-3 can expect more solid competition at Wilson Park from Moore Lodge No. 4 of East St. Louis, only club in the loop to win two games this spring and the current Red and White leader.

The Hearts, beaten in their first outing by Mercer Glass, 13-4 take on another team which scored a batch of runs in winning last week, Carpenter.

Carpenter, McAteer and Mercer currently are in a three-

way tie for first place in the blue division.

Three other Sunday games are scheduled, and all inter-city action will begin at 2:30 p.m.

Collinsville's Boosters will play host to Troy, McAteer will be at home in Jones Park to defend champion Pochontas, and Maryville and Roxana's Merchants both will be looking for an initial victory when they tangle in Roxana.

Sacred Heart Manager Paul Schuler this week announced the signing of left-handed hurler Dave Steplits, a soldier stationed at the Granite City Engineer Depot, who has had minor league pitching experience. Steplits will be eligible for Sunday's contest, and may start for the Hearts.

Lucky Cats Defeat American Bank In Classic Rolloff

Lucky Cat Tomatoes defeated American National Bank 3-2 to win the post-season rolloff at Bowland last night between first and second-half season winners in the Quad-City Classic bowling league.

The Lucky Cats shot 1029 and 1043 in the final two games to overcome a 2-1 American Bank lead. American had opened with the night's high team total of 1021 pins.

Nick Lombardi shot 1101 for the winners, including a 257 game. Max Legate also hit 257 for the losers, and had a 1097 five-game total.

District Net Matches Begin 2-Day Run Tomorrow Afternoon In Roxana

Coaches of the nine tennis teams entered in the Friday and Saturday district high school tennis eliminations, with the exception of Granite City's Dick Harmon, aren't talking in advance about their entries. But chances are that most will shift their top singles players to doubles competition in the hope of sending at least two representatives to the state finals in Champaign on May 18-19.

Reason is the relative weakness of doubles play in this spring, and the fact that winners and runners-up in both singles and doubles play get the chance for a trip to the state finals.

The site of the district, involving nine area high school squads, is again the six-court layout at Roxana high school. Shell tennis Coach Jim Milford said this week that drawings for the first round pairings in singles and doubles are scheduled for 2:30 p.m. tomorrow.

Finals Saturday

First-round play will begin immediately afterward, and survivors will return to the courts bright and early Saturday morning for semifinal and final play. Saturday play at 8 a.m.

Harmon expects to pair Mike Barnes and Bill Logan, regular No. 1 and No. 2 singles players for GCIS, as a doubles combination.

Indications are that the same switch will be made by Edwardsville and Belleville which, together with Granite City, are strong contenders for the district crown.

In such an instance, Kit Kallman and Gerald Blase would form the Edwardsville doubles entry, while Frank Connors and Brian Smith of Belleville would pair up. Those six are rated the top singles players in this area.

Other schools entering the two-day district include Madison, Mascoutah, Collinsville, Wood River, Bethalto and host Roxana.

Flyers Edge Warriors On 1-Hitter By Gary Jacobi

Granite City's Warriors, who can't win for losing, dropped another close Southwestern conference baseball game yesterday at East St. Louis where they were beaten by the Flyers on two unearned runs, 2-1.

It was the second straight one-run conference loss for the Warriors' club, and dropped the Warriors to 2-7 in the S.W.C. Only Belleville's 7-4 conquest of Wood River Wednesday kept the Redmen from taking occupancy of the loop cellar. GCIS and the Flyers share it today with identical records.

1-Hitter By Jacobi

Gary Jacobi threw a one-hitter at Granite City at Jones Park in East St. Louis yesterday. Terry French fouled a line drive, but a no-hitter when he doubled with one out in the fourth. French advanced on a fly to second, and scored the Warriors' only run on a wild pitch.

The Flyers scored their two markers in the same frame on closer Charlie Papp. Papp gave up a pair of walks, balked the runners to second and hit a homer, the tying run scored on a passed ball. Run No. 2 scored on a stopshot error.

Granite City today will attempt to break a four-game conference losing streak when the club plays host to Cahokia at Wilson Park. The Kahoks won by one run, 6-5, on their own diamond April 18.

Play Assumption

The Warriors have scheduled non-conference opponent Assumption high school in East St. Louis tomorrow afternoon. Last Monday's game here with Belleville was rained out, and is to be rescheduled.

The wins yesterday by East St. Louis and Belleville helped those two teams maintain their 1-2 positions in the conference standings. The Flyers are 8-2, and the Maroons 7-1.

Braves Are 3-1 After Blanking Roxana Neesters

Coolidge neesters powered past Roxana's freshman tennis team here yesterday, 5-0, with the Braves raising their season's mark to 3-1.

Scheduled matches today with Bethalto's fresh clubs have been canceled, and CHS is next due to take the courts at Edwardsville next Wednesday at 4 p.m. Yesterday's results:

No. 1 singles—Rusty Toburen (C) defeated Rhoads, 6-3, 10-8; No. 2 singles—Drew Karandeff (C) defeated Kraus, 4-6, 6-4, 6-0; No. 3 singles—Jerry Walters (C) defeated Mallory, 6-0, 6-0.

No. 1 doubles—Dick Blumenstock and Bernie Helman (C) defeated Slaton and Taulbee, 6-2, 6-0; No. 2 doubles—Samuel Hanley and Paul Greve (C) defeated Nesbitt and Steele, 7-5, 6-2.

Exhibition matches were played by Coolidge's Jim Rucker, Bill Hanley, Peter Macr and Bob Eberhart.

Alton, East St. Louis And Cahokia Relay, Midwestern Track Favorites

Alton and East St. Louis high schools, the 1-2 favorites Tuesday night in the rain-soaked Madison county track meet, are heavy favorites to finish in the annual running of the East St. Louis relays.

County Meet Postponed

The county meet earlier this week was postponed until Monday, with preliminaries set for 5 p.m. and finals at 7 p.m. in Alton.

Alton and the Flyers have shown their usual perennial strength in every meet both schools have entered, with East St. Louis usually having to settle for the runner-up spot if the Redbirds were featured on the program, and winning if they weren't.

Midwestern Records

The Midwestern conference standards:

120 YH—Thompson (Roxana, 1961), 15.4; discus—Browning (Cahokia, 1961), 154.6; high jump—Griggs (Madison, 1957), 6-2 1/4; 100—Steffen (Roxana, 1954), Young (Cahokia, 1959), 19.55; 50—shot put—Jerry Wilkes (St. Louis U. High, 1956), 37.7; discus—Cloyd Webb (E. St. Louis, 1959), 173-11.

The Comanches, who are especially strong in the weights this spring, were second to Central in last weekend's Carbonale relays, and should have no trouble at Roxana.

Chief competition could come from the Shells, from whom Cahokia wrestled the title in 1961, and possibly Madison if sprint man Kenny Griggs is in running shape.

Griggs pulled a leg muscle in a dual meet with Cahokia on April 17, but the injury has responded to treatment, and Griggs was timed by MIHS track Coach Gene Pickering in 10.3, 10.4 and 10.5 in three 100-yard dash heats earlier this week.

Trojan broad jumper Walt Cooper hit today with identical consistency this spring and if in form tonight, could give MIHS a first place in the 21 feet event.

George Russell, who has not yet matched his 2-04 half-mile effort of last year, will be a contender in the 880, especially since Cahokia's Claude Hickman is reported to be ailing.

Granite City should finish far down the list at East St. Louis. The Warriors are still a year or two away from competing together an outfit which can compete on an equal basis with other Southwestern conference and St. Louis schools.

Relay Marks

East St. Louis relay records: 100—B. Gater (Alton, 1961) and Terry Turner, Soltan, 1957), 2:39; 120 YH—Charles Allen (Bloomington, 1961), 14.7; high jump—Bob Mosby (E. St. L., Lincoln, 1953), 6-3; Sr. 880 relay—

COLUMBUS' SHIPS, the Santa Maria and the Nina, under construction at a local planning mill by Granite City high school advanced art class students for Sunday afternoon's county Knights of Columbus parade here. On the left, Bob Davis is setting a mast and calling to Al Phipps and James Massey who are putting the final touches in the form of ribbon rigging for the Santa Maria.

Presently, the results of their work is tucked away in corners at the planning mill, but when the weekend comes, they will be period in mid-April. Hospital authorities said yesterday the problem has been cleared through the Quad-Cities area joining floats and marching units from all of the Knights of Columbus councils in the county.

5 GC Students Creating Floats For Sunday's Knights of Columbus May Day Parade Here

Chicken wire, thousands of cleaning tissues, paints, plywood and heavy paper are among the materials being used by five Granite City high school top advance art students, who have been commissioned by the local Knights of Columbus Council to create seven floats for Sunday afternoon's annual county-wide K. of C. May Day parade to be held in the Quad-Cities.

The students, seniors Sandra Mitkos, Lynn Yates and Hoi Davis, and juniors James Massey and Al Phipps, have three more evenings to complete their work on two of Columbus' ships, the Santa Maria and the Nina, and a school room scene to represent the K. of C. annual spelling contest. Arrangements with the students were made by Louis B. Bickman, grand knight of the local council.

For several weeks, the youngsters have been at work in the Bertacchi Planning Mill, 2609 Kate street, and in the process, they have used a wide variety of materials from saws, hammers and paint to chicken wire and over 37,000 cleaning tissues.

Variety Of Themes

The local K. of C. Council 1098 has called upon the volunteer students to create floats not only for the council, such as the two large ships and special floats for the fourth degree knights and past grand knights, but also for the Lady of Fatima, queen of peace, and Catholic Charities and the annual spelling bee which the council sponsors for pupils at the five local parochial schools.

The student creations, which include replicas of the symbols of the K. of C. units along with an eight-foot paper castle on a large white "cloud" for the past grand knights, are the result of long hours of work for design and construction.

Seibert, Bess Snell, Nadine Meehan, Myrtle Fields, Louise Shambro, Mayme Dempster, Eva Maurer, Josephine Turner, Charlotte Frey, Jessie Foley, Lil Mangi and Mary Dixon.

SCOUT MOTHERS MEET
The May meeting of the Varsity Boy Scout Mothers club was held Tuesday evening at the Legion home. Mrs. Betty Guffey, president, conducted the business meeting, and a discussion was held on ways to raise funds to send the boys to camp.

New members welcomed to the club were Mesdames Alice Rumpf, Roselyn Wilkins, Lucille Kalerger, Grace Hornann and Ethel Lehman. Hostesses for the next meeting will be Mrs. Guffey, Mrs. Betty Wallace and Mrs. Opal Caudron.

Following the business meeting, games were played and prizes were awarded. Refreshments were served to the above and Mrs. Clara Miller, Mrs. Marcella Boushard and Mrs. Mary Lou McKinney. Hostesses for the evening were Mrs. Miller and Mrs. Boushard.

RETURNS TO AIR BASE
Alman second-class Thomas Hornann left Sunday for McGuire Air Force Base, N.J., after spending a 15-day leave with his parents. Mr. and Mrs. William Josie Johnnie, Ann Cicio, Gus Scaturro, Naomi Boelling, Marge street.

TOWERING CASTLE on a billowy cloud will decorate the past grand knights' float in Sunday afternoon's Madison county Knights of Columbus annual May Day parade to be held in the Quad-Cities. HOMESITE TO CIRCLE

The Ruth Ford circle of Second Baptist Church met Tuesday evening at the home of Mrs. Maxine Dacus leading the program, "Let's Face It." Taking part were Mesdames Lena Stephens, Elsie Sturdivant, Naomi Roney, Georgia Mitchell and Dorothy Barnes, who led prayer.

A contribution was approved by the circle, and refreshments were served. Others present were Mesdames Dena Watson, Louise Mitchell, Evelyn Smith, Alene Phillips, Gusta Pendleton, Roxie Sadler, Mabel Merer, Edith Wilson and a new member, Gertrude Bevil.

Mrs. Georgia Mitchell will be hostess to the June meeting.

HOMEMAKERS MEET

The Homemakers class of the Second Baptist Church met Tuesday night for a monthly meeting. Mrs. Esther Showers, teacher, opened the meeting with a devotional and prayer.

Mrs. Margie Brannan, president, was in charge of the business session. Plans for a "family night" supper in June were discussed. Mrs. Margie Boger and Mrs. Betty Patterson are to supervise the menu.

The remainder of the evening was spent in fellowship. Mrs. Betty Lewis and Mrs. Vernell Cavity, hostesses, served refreshments. Others present were: Jeannette Scarborough, Virginia Monahan, Jeanette Cross, Margie Boger and Lenore Welty and children, Larry, Susan, Vickie and Frances.

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon to continue their study of "The Bible." Books about the church and its work were made.

Plans were made and prayer was given by Mr. Betty Lewis, Shannon Marrison and Pamela York. Mrs. Lewis told a story and read a letter the group received from a missionary to India.

Closing prayer was given by Larry Anderson. Others present were Rusty Miller, Timmy Stewart, Danny Bagg, Frances Welty, Corby Burnett, Bobby McCord, Dean Olive, Denise Whitson, Allen Newberry, Theresa McMurtry, Michael Reynolds, Patti Franklin, and visitors, Gary Ellis, Dennis Reynolds and Judy McMurtry.

The Mount Zion General Baptist Church Youth Fellowship met Sunday evening, with Michael Meador introducing the theme, "The Light in the Bible." Diana Hahn led singing and prayer was offered by Mary Goodall and the leader.

Taking part in the program were Mary Goodall, Barbara Griffith and Linda Perrod. Larry Goodall gave Bible reading and the memory verse was by Barbara Griffith. A Bible quiz and testimony were held.

The Training Union of Second Baptist Church held a monthly planning meeting Monday evening, with the director, Bob Lewis, in charge. Reports were heard and plans for the summer months were made. All were urged to attend a Training Union convention Monday at Lansdowne Baptist Church in East St. Louis.

Plans were made for a family supper for all of the Training Union June 29 at Wilson Park. Prayer was given by John Hagler, youth director, and Rev. Reed Burkhardt.

George Sedabres Jr., seven years old, 2215 Illinois avenue, was released Tuesday from St. Elizabeth Hospital, where he had undergone a tonsillectomy.

Gulley Honored By Manufacturer Association

Lyle F. Gulley, vice-president in charge of operations at Granite City Steel Co., is displaying a large, engraved silver tray which he has received from the directors of the East Side Manufacturers' Association in recognition for his service as president from 1959 to 1961.

The presentation was made by the current president, A. A. Schweighauser, during a regular meeting held at the Missouri Athletic Club. The tray, which is inscribed with Gulley's name and the years he served as president, also is engraved with the names of all directors who served during the three years.

The art of progress is to preserve order amid change and to preserve change amid order.

Jaycees Plan Annual Bosses' Night Event

Bosses' Night, the annual banquet for members of the Junior Chamber of Commerce and their employers, will be held at 7 p.m. May 15 at the Rose Bowl restaurant, Paul Morris, program chairman, announced this week.

The "Jaycees' Outstanding Young Man" of the year will be announced during the meeting. A committee headed by Robert Francis is presently canvassing local churches, business firms and civic organizations to select candidates for the award.

Bosses' Night is an annual feature of Jaycees throughout the nation. It is dedicated to employers who lend their support to the Jaycees and recognize the value of the organization, Morris said.

Speaker of the evening will be Dean Gordon of Monticello, presently a national director of the Junior Chamber of Commerce and a candidate for state president.

GUEST SPEAKERS, George and Billie Davis, who will appear Sunday at First Assembly of God Church, the former will address the congregation at 10:45 a. m. and Mrs. Davis will deliver the 7:30 p. m. sermon. With them is their daughter, Gloria.

Special Speakers Sunday At First Assembly Church

Mr. and Mrs. George Davis, Christian education consultants to Latin America, will be featured in special services at First Assembly of God Church, 24th street and Grand avenue, Sunday, according to an announcement today by the pastor, Rev. Paul Evans.

Mr. and Mrs. Davis have spent the past four years visiting several countries, including Guatemala, El Salvador, Columbia, Honduras, Panama, Nicaragua, Mexico and Ecuador to conduct training courses for Sunday school teachers and officers and to sponsor Sunday school conventions. To reach the places where these schools and conventions are held, the Davises have used almost every conceivable mode of transportation including truck, horseback, hiking and airplane.

Costa Rica served as home base for Mr. and Mrs. Davis. While there they adopted a seven-year-old daughter, Gloria, who with her mother will appear in special dress in Latin America at the evening service.

In 1960 Mr. Davis led a two-car caravan of representatives from six nations up the Pan-American Highway from Costa Rica to the United States.

The pessimist is sure the silver lining to a cloud is just another frayed edge.

been filed in previous years. The city received \$10,928 in sales taxes.

Greatest expenditure listed in Anderson's report was for the police department, \$94,998. Street and alley expenditures were \$54,651. Other expenditures included \$32,412 for city officials, \$31,405 for garbage collection, \$30,380 for the fire department and \$23,553 in the library fund.

Tavern Licenses

The city collected \$20,094 during the year in licenses and fees, Anderson reported. Sale of 31 tavern licenses brought in \$4,625, while 1021 city auto and truck licenses were sold for \$3063 in revenue. Income from sale of other truck licenses was \$1800, with 120 sold.

Sale of 100 truck delivery licenses netted \$1150 according to the report. Two \$50 delivery licenses were sold, five peddlers' licenses added \$125, and 11 portable licenses were sold for \$110. Police magistrate bond and warrant fees amounted to \$375, while city fines totaled \$8000 and 76 dog licenses were sold at \$31 each.

Anderson's report also listed \$1137 in refunds, all on unexpired liquor licenses.

Police Chief Frank DeWitt told the council 21 persons were arrested in April, nine of whom paid fines and 4 costs totaling \$355. Three of these paid court costs, with fines stayed. The others were set free or released to other authorities without payment.

Granite City PRESS-RECORD

Page 14, Thurs., May 3, 1962

957 Arrests During Year

In an annual report, DeWitt said his department made 957 arrests during the year.

May, July and September proved to be the busiest months for the police, with arrest totals of 179, 107 and 106, respectively. Average number of arrests for the other nine months was 62.

The council approved a resolution transferring funds from accounts which showed a surplus to those with deficits. City Comptroller Carl Byrnes said \$341,645 was spent from the \$365,796 appropriated for the year, but \$23,775 was reimbursed. Surpluses totaled \$54,467 and deficits amounted to \$6541, a net difference of \$47,926.

Payment of bills and salaries through Monday was approved by the council, which met in special session to close out the fiscal year. A regular council meeting will be held tomorrow night.

Certificates To Britt

Before the adjournment, Mayor John E. Lee presented a certificate to Thomas W. Britt, recognizing his city employment since 1925, including service since 1927 as city hall custodian and fire truck driver. A certificate presented by Chief Michael Leatherman conferred lifetime membership in the volunteer fire department on Britt, who has retired and moved out of the city hall to a home on Third street.

Britt was presented a cash gift, television set and lounge chair by city officials, police and firemen and was honored after the meeting at a reception in the city hall basement. His son, Thomas Britt Jr., has succeeded him as custodian and driver but will not reside in the city hall.

Fund transfers made were:

"MY CHURCH," a black and white drawing by Debbie Buron of Troop 111, was chosen top entry in District 4 competition in the River Bluffs Girl Scout Council "Round-up Exhibit" art contest.

Debbie Buron Named Girl Scout Art Winner

Debbie Buron, a seventh grade student at Coolidge junior high school, has been named first place winner in the "Roundup Exhibit" art competition for District 4 of the River Bluffs Girl Scout Council.

"Theme of the Competition is 'Picture your home frontier,' and final judging to select county-wide winners is this week at Bellefonte. Top four entries will be shown at the national Girl Scout roundup in Vermont in July.

Miss Buron, a member of Troop 111, entered a black and white drawing titled "My Church."

Other winners in the District contest were Jo Ann Bailey, second; Maria Christal, third; and Jerri Hicks, fourth place. All three are members of Girl Scout Troop 122.

Judging was based on interpretation of the theme, balance of space, use of color, imaginative use of material and a vividly told story, among other points.

Mrs. A. J. Mueller Jr. was judge.

MORE ABOUT

K. of C's Annual Parade

(Continued from Page 1)

Participants in the event are those from Granite City, Madison and Venice high schools; St. Boniface school, Edwardsville; St. Paul's high school, Highland; St. Mary's high school, St. Louis, and Wood River grade school.

Police, CD Units

The Irish bag pipe band from St. Louis is scheduled to appear near the end of the parade, ahead of Granite City and Madison Civil Defense and Civil Air Patrol entries. Rescue and fire units from Mifflin, Troy and Madison county and the Illinois state police will follow these units.

Among floats listed for the parade are replicas of Columbus' ships "Pinta" and "Santa Maria," constructed for the K. of C. by Granite City high school art students, and a "spelling bee" float.

Floats are also planned by St. Elizabeth Hospital, the Daughters of Isabella, Our Lady of the Snows shrine at Belleville, and Catholic Charities. A St. Louis brewery's team of Clydesdale horses will appear in the parade, as will a mounted sheriff's posse from Jefferson county. Mo. Units representing local Boy Scout and Girl Scout organizations will be included in the parade, along with championship twirling teams from Alton and St. Louis. Other units will be entered by Venice—Madison American Legion post 307, the auxiliary and Sons of the Legion.

Other Units Planned

A Lady of Guadalupe float will be entered by the Lincoln Place Mexican Club, and floats are also planned by the Madison Lions Club, the American Red Cross, and the Junior Service Clubs from Madison and Granite City. The C.Y.C. of Sacred Heart also plans a float.

DeRuntz emphasized that still other units may be included in the parade, as late entries will be permitted to join at the end of those entered in advance.

The May Day celebration is being held annually in Madison county communities through the cooperation of K. of C. councils of Granite City, Edwardsville, Highland, Alton, Wood River and Bethalto, in addition to the Tri-Cities Council.

The entire parade and religious ceremony Sunday will be photographed in color movies and still pictures, which will be available later for use by organizations desiring them.

Girls of Troop 231 Plant Rose Bush

A yellow rose bush ordered specially from a grower in New York two years ago will bloom on the lawn of the Granite City library this summer, if the hopes of Girl Scout Troop 231 come true.

The rose was planted Wednesday by the girls to commemorate the 50th anniversary of Girl Scouting in America. A short program was held on the lawn by the troop. Poems on roses were read and a Scouting song was sung.

Mrs. Mary Gene Knufinke, librarian, and C. E. Johnson, librarian, attended.

The troop is from Emerson school. Girls attending the ceremony were Joyce Fowler, Lesa Freedman, Kathy Crawford, Linda Petersen, Jolene Travis, Joyce Wyatt, Pamela Swan, Carol Haigis, Penny Jackson, Melanie Kenney, Susan Doty and Paula Brown.

June Fowler assisted Mrs. Virgil Travis, the troop leader, in planting the bush.

OFFICERS NOMINATED

Long Lake Amvet Auxiliary Unit 187 held a regular meeting Tuesday evening at 4001 Kasseberg lane, with President, Etta Rutherford presiding and 12 members present. The pledge of allegiance was given, followed with prayer by the chaplain, Leona Clemens.

A report on the cancer drive was given by Mildred Hardsky. A short business meeting, with nomination of officers for 1962, 1963, was held. A "white elephant" was won by William Farnley.

Refreshments were served to the Amvets and Auxiliary members by Mrs. Jerry Dowdy and Mrs. Beatrice Dunham.

RETURN FROM SOUTH

Mr. and Mrs. George Wilson and Mr. and Mrs. Gerry Sizemore returned Sunday after spending three days at Nashville, Tenn., and Sheffield, Ala., visiting friends and relatives. They toured the Helen Keller home at Tusculum, Ala.

Brownie Troop 221 met Tuesday evening with Mrs. E. L. Gietelman. The meeting opened with a flag ceremony and the girls answered the roll call with their birthday dates. They worked on Mother's Day project and celebrated the birthday of Sharon Hughes.

Ice cream and cake were furnished by Mrs. Hughes. Girls present were Jean Funkhouser, Pamela Bringer, Sharon Hughes, Brenda Mistler, Sandy Deatherage, Elaine Roastio, Judith Baker, Daria Sneed, Debbie Grace, Sally Gietelman, Mini Midvett, Kay Nenninger and Debbie Green.

SCOUTS GOING TO CIRCUS

Boy Scout Troop 23 met Tuesday night at the Long Lake fire hall with Herb Polley and Dennis Ricker. Plans were made to go to the police circus Saturday, and they will leave the fire hall at noon. The boys will swim Friday night at the YMCA.

The campout for Friday, Saturday and Sunday was cancelled. Boys present were Mike Abernathy, George Wilkerson, Charles Polley, Willard Hicks Jr., Alan Gietelman, Dale Werner, Donald Dayton, Glenn Ashoff, Mike Krause, William Burress, Danny Krause, Ernie Mills, Ronnie Briggs, Jimmy Vaughn, John Jones, Mike Karlechuk, Richard Turnbull, Bobby Pickett, Eddie Glen, Danny James, Dennis Morris, Jimmy Meador, Larry Dayton and a visitor, Bobby McDonald.

Den Four of Cub Pack 23 met Tuesday evening with Mrs. E. L. Gietelman. The boys worked on neckerchief slides. Those present were John Harper, Danny Dalger, Jeffrey Morris and Jimmy Hicks.

Leaders and co-leaders of Girl Scout Troop 157 and 340 showed a film to mothers and girls at Frohardt school Monday night.

SECOND BIRTHDAY

Darla Kay Lewis celebrated her second birthday with a party given by her parents, Mr. and Mrs. Curtis Lewis, No. 7 Kasseberg park, Tuesday. A large decorated cake with two candles centered the table.

Guests present were Mrs. Carolyn Bennett and children, Laurie, Jerry, Tony and Timmy. Mrs. Charlene Bosler and son, Earl Bosler, Mrs. Brenda Branding and children, Janet and Robert, Mrs. Janice Knott and son, Kenny, Mrs. Jo Ann Papp and daughter, Lorraine, Mrs. Linda Taylor and daughter, Lori Ann, Mrs. Bill Hall and Freddy and Debbie Higgs. Refreshments were served by the hostess, and the honoree received many gifts.

Ill. Water Board To Rule On Levee District June

(Special from Springfield)

At the conclusion of a hearing here yesterday, Clarence W. Klassen, technical secretary and hearing officer for the state Sanitary Water Board, announced that a decision could be expected at the next meeting of the board on June 5 on the state's inquiry as to why the East Side Levee & Sanitary District should not be restrained from the alleged discharge of untreated domestic sewage into the Mississippi River.

The hearing was continued from Feb. 26, when Robert F. Godfrey, corporation counsel for the city of East St. Louis, which had been allowed to intervene, requested a 60-day continuance for the purpose of completing a study as to the feasibility of the construction of its own sewage disposal plant.

G. W. Hoelscher, chairman of Granite City's Citizen Master Sewer & Drainage committee was in attendance and said he learned it was likely Granite City officials would be required by the board to submit an official report on pollution abatement progress.

E. St. Louis To Build Plant
At yesterday's meeting, Godfrey presented a resolution adopted by the city council of East St. Louis that it will establish its own sewage disposal plant.

Douglas B. Morton, sanitary engineer of the state Department of Public Health, on behalf of the Sanitary Water Board, testified that since the Feb. 26 meeting, the board has submitted plans and specifications for an outfall from the Madison and Vanoye streets had been filed on March 26. He said plans also had been received from the U.S. Corps of Engineers for pumping stations at Madison and East St. Louis. Construction has not been started at Madison but is under way at East St. Louis. The plans have been reviewed and permits have been prepared to be issued.

F. E. Wisely, St. Louis, of the consulting firm of Horner & Shifren, testified that the district has progressed with the design of the Cahokia treatment plant facilities. Morton and a major portion of Centerville Township will be served from this outlet. The district has met with officials of Cahokia and Centerville to coordinate facilities and a second meeting is planned for Monday, May 7. Lawrence Tolar, president of the levee board, testified briefly that the district is willing to work in coordination to solve the sewage disposal problem.

W. H. Hemken Is Eagles' President

William H. Hemken of 2415 Adams street, a machinist foreman at a Wood River oil refinery, was elected president of Eagles Lodge 1126 last night.

Hemken succeeds Carl Lehman, who assumes the past president's chair. The election meeting was held at the lodge home, 2558 Madison avenue. Other officers elected are William Barton, vice-president; John Painter, chaplain; David Moser, conductor; Robert Gwinn, inside guard; Carl Buchler, treasurer; Stanley Hecht, two-year trustee; and William Early, three-year trustee.

Delegates selected to attend the Eagles' state convention were Lehman, H. W. Hennrich, who is the lodge secretary, Edward McGovern and Jesse Hadley.

Members heard a report on a southern Illinois zone Eagles rally held last week at Eldorado and attended by several members of the local lodge, where its ritual team won first place in competition with teams from other lodges represented.

Hemken will serve his second term as president of lodge 1126. He held the position three years ago.

**Forecasters Discuss
Severe Storm Warnings**
George Brancato, U. S. Weather Bureau forecaster in St. Louis, explained severe weather warning procedures to Madison Rotarians yesterday and also presented a motion picture entitled "Tornado." While such storms cannot be predicted with certainty, preliminary warnings are given to aid in limiting damage and injury, he explained. Brancato noted that forecasting very far in advance cannot be an exact science, since weather occurring several days in the future often has not yet manifested anywhere in the earth's atmosphere. However, information received is now so massive that electronic computers are being used successfully to analyze the data and to produce maps showing probable future weather conditions, he said. He was introduced by James Clem, program chairman.

Arrest At Stop Sign Thomas Boy Undergoes First Of Two Operations

Madison police arrested David Ham, East St. Louis, for passing a stop sign at a street and Madison avenue, at 1:30 a.m. today. He was released on an officer's license pending a hearing.

Raymond Thomas, 13, seriously injured in a car-truck crash on Route 111 fatal to his mother April 23, underwent brain surgery Monday at St. Louis Children's Hospital and is improving.

The operation included removal of bone which is to be replaced by a plate in a second operation within a year.

A seventh grade student at Coolidge junior high school, he remains in serious condition and cannot have visitors. He is being treated also for multiple and severe cuts and bruises. He school next September will be conducted Saturday and Sunday, it was announced today by the principal, Sister Cecilia.

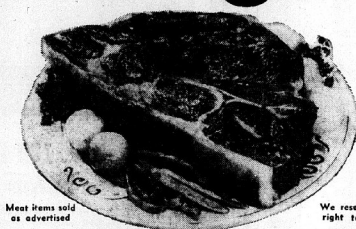

On Saturday, the registration at the school, 2300 Pontoon road, will be from 9:30 to 11 a.m. and on Sunday from 2 to 4 p.m.

Broadway-Klein Mishap
A collision at Broadway and Klein street, Venice, at 8:30 p.m. Tuesday damaged the right headlight and front fender of the westbound auto of Charles Davis, 203 Allen street, Eagle Park Acres, and the right rear door of the northbound car of Wilbur Newby, 66 Lee Wright Homes.

Some of our problems could be solved if we could stick an emergency clause in the law of supply and demand.

Thrifty Is Your Budget Value

Look for this seal in each package

1. Thrifty Beef is not aged. It is mild in flavor, juicy and tender, ready to use in beef with more marbling. However, Kroger Thrifty Beef cuts you less and provides wonderful eating when cooked slowly with meat heat.
2. U. S. Government inspected and graded U. S. Good or Standard. Your assurance of wholesomeness and value.
3. Grass-fed. Young, lightweight cattle are grown economically on pasture to produce this thrifty, lean beef.
4. Lean Meat. (Fresh) If you like a high proportion of lean in the beef you buy, Thrifty Beef will please you. It is milder in flavor, not aged.
5. High nutrition. Thrifty Beef contains all the nutritional elements which make beef so good for your family. Cook it slowly.
6. Value-trimmed. All waste fat and bone is removed before weighing.

TENDERAY IS OUR VERY BEST

Look for this seal in each package

1. Because even the quality beef needs special handling for real tenderness, Kroger Tenderay Brand Beef is quick-aged to break down firm connective tissues and give you beef which is tender, yet juicy and flavorful.
2. U. S. Choice Grade. Produced from young, well-fed cattle. Consistently tender with rich, full beef flavor.
3. Corn-fed. Controlled feeding produces enough fat within the lean to assure tenderness and juiciness.
4. Quick-aged. With controlled temperature and humidity, we're able to equal the tenderness of 3 weeks' natural aging—but in just 36 to 48 hours. No tricks to hurt the natural, fresh beef flavor.
5. Guaranteed tender. Because Tenderay Beef is quick-aged under Kroger supervision, each cut is guaranteed tender by your Kroger store Manager.
6. Triple-Trimmed. Excess fat, bone, waste is trimmed before weighing.

May Fellowship Luncheon Set For Friday Afternoon

The annual May Fellowship luncheon of the Quad-City Council of Church Women will be held at 12:30 Friday at St. John United Church of Christ on Nameki road.

Mrs. B. L. Bryan is serving as general chairman of the event and the speaker of the day will

be Mrs. Billie Davis of Springfield, Mo., wife of George H. Davis, a missionary for the Assemblies of God in Central and South America. Nationally known as a speaker for educational organizations, schools, colleges, clubs, churches and Sunday school conventions, Mrs. Da-

vis is a prolific writer and was presented by the Missouri State Teachers Association with a citation for meritorious contributions to the field of education.

Besides lecturing, Mrs. Davis has written articles and educational and promotional Sunday school materials since 1943. She has also served as associate editor of "Our Sunday School Counselor," monthly magazine for Sunday school workers, for five years. The National Education Association produced a movie based on Mrs. Davis' story en-

titled "A Desk for Billie." Mrs. Wayne Young, president of the Council of Church Women, will preside and new officers are to be installed by Rev. Robert Beatty. Special music on the program will be furnished by Mrs. Paul Sutley and Mrs. Emmet Garraher, vocalists, accompanied by Mrs. Russell West.

The theme of the meeting will be "One Family Under God—Who is My Family?" In addition to May Fellowship Day, the Council of Church Women also observes World East

Community Day and the annual World Day of Prayer service. The luncheon is to be served by the Afternoon Guild of St. John Church.

Ohlendorf Renamed Park Board Head

The Venice park board re-named all 1961 officers to another one-year term at its annual reorganization meeting last night at the park office.

William Ohlendorf Jr. was re-elected to his fourth consecutive term as president of the board.

Others renamed were Mrs. Hilda Daubert, vice-president; Marion Groshong, superintendent of parks; Austin Lewis, legal counsel; Miss Margaret Fichte, treasurer; Charles Simmons, recreation director; and Leroy Kutz, secretary.

No other business was conducted by the board, which is scheduled to draw up its 1962 budget at its next regular meeting in June.

Woman Injures Self Smashing Windows

Granite City police booked Mrs. Jessie Wolz, 37, of 2111 Delmar avenue, this morning on charges of drunkenness and creating a disturbance.

She appeared at the station at 6:30 with a cut on her head and her clothing covered with blood. She said she was cut accidentally

while smashing the windows in her home.

When she threw a brick through her front window a piece of glass fell back on her, cutting her, she said. Police found she had not only smashed the windows in the house but in the car as well.

The woman was taken to St. Elizabeth Hospital for emergency treatment, then jailed for a hearing today.

May Again Heads Zoning Group; Petitions Filed

County Board Chairman Gus Haller on Tuesday re-appointed Alton W. May, Alton assistant supervisor, as chairman of the zoning and subdivision control committee, for 1962-63. Re-appointed as members were William Bryant of Wood River; Oglesby of East Alton; William Straub of Edwardsville

and C. A. Nicolet of Godfrey. Petitions opposing and favoring May's reappointment had been received by Haller. Those asking that he not be retained also objected to proposed zoning and to further expenditures, Haller said. The zoning decision will be made by the board itself, not a committee, it was noted by Haller. The chairman also named other county board standing committees, with

Charge Five Speeders

Five persons arrested on charges of speeding posted their driver's license as bail Wednesday. Those given arrest tickets by Granite City police were Grace Peterson, 37, of Roxana; Lila A. Daniel, 55, of Tipton; the major charges resulting from the death of two board members in recent months.

Those present were Mrs. Charles Evans and Mrs. Leslie Haslip Jr., of Belleville, Mr. and Mrs. Leslie Haslip Sr., of East St. Louis, Mr. and Mrs. Albert Malottki Jr., and son, Robert, and daughter, Lori, the honoree and the host and hostess.

WILL VISIT PARENTS
Miss Megan Thomas of Peoria will spend the weekend with her parents, Mr. and Mrs. David H. Thomas, 2549 State street. Miss Thomas is a teacher in the elementary school system there.

**Jayceettes Plan
Future Events**

The Jayceettes met Monday evening at the Big Top Bowl with Mrs. Lois Hassler, vice-president, in charge.

Final reports of the recent hat party and bowling tournament were given and plans were completed for a trip to the Municipal Opera in June. Also on the agenda were plans to hold a party for children in the St. Louis Detention Home this month and for a pot luck supper in July. A letter was received from Jaycee wives in Greenville, Ill., requesting assistance in organizing a women's group there and a report was given by the nominating committee and the slate of officers is to be elected at the May 28 meeting.

Coach Keith Parker of the Granite City high school was guest speaker, discussing physical fitness and demonstrating his talk with exercises.

The hostesses were Mrs. Marilyn Cottrell and Mrs. Betty Young, and 16 were present.

VISITS PARENTS
Rev. and Mrs. Jack LaMar and their son, Mark, returned Monday to their home in Oshkosh, Wis., after spending the past week with Mrs. LaMar's parents, Mr. and Mrs. E. A. Branding, 2464 Cleveland blvd., while Rev. LaMar, pastor of the United New Elm E. & R. Church in Oshkosh, attended a convocation of the United Churches of Christ at Eden Seminary in St. Louis.

VACATIONISTS RETURN
Dr. and Mrs. G. E. Halayama, 1919 Cleveland blvd., have returned from a three week trip. They attended a national medical convention in Las Vegas, Nev., and after the convention went on to New Orleans, La., and Florida. They were guests of relatives in Orlando and Daytona Beach and spent Easter in Vero Beach with Mr. and Mrs. Earl Varnum, former Granite Cityans.

**HOSTESS TO
DISCUSSION CLUB**
Mrs. Minnie Clay, 1621 Second street, Madison, was hostess to the Outerspace Innerstraight Discussion Club Tuesday in her home.

Those present were Mrs. Marge Henshaw, Mrs. Betty Levault, Mrs. Joan Mayers and Mrs. Betty Jo Harvath.

The time was spent at games, and Mrs. Henshaw was winner of the hostess' gift. Refreshments were served, and plans were made for the next meeting May 7 in the home of Mrs. Levault.

Venice-Madison Memorial Day Parade Planned

Memorial Day plans of Venice-Madison American Legion Post 3307 call for a parade from Venice to Madison, with memorial services on the lawn of the Madison recreation center on Seventh street.

Fred Honerkamp, Post 307 executive board member and chairman of the Memorial Day observance, announced today that civic and patriotic organizations wishing to participate will be welcomed in the parade, which will start at 9:30 a.m. Wednesday, May 30, following brief ceremonies on the Post lawn, 740 Broadway, Venice.

The route will be from Third street in Venice down Broadway and across the viaduct to Madison avenue, continuing northward to Eighth street. The marchers will move down Eighth to Alton avenue and then go south on Alton to Seventh street.

Postmaster Harry M. Johnson, Madison civil defense director, will be the principal speaker at the Madison services, which will include a rifle salute to local war dead.

The annual program, which alternates between Venice and Madison, is to be sponsored this year by Post 307, whose commander is Louis Sauler.

John Ginterman, drill sergeant, will be in charge of the Legion's marching unit. Miss Norma Hinson will head the Auxiliary Unit 307 drill team and Jim Messenger will direct the sons of the Legion marching group.

Units in the line of march will include the Madison and Venice school bands.

Tom Britt, Venice, Honored For Service

Thomas W. Britt sr., who retired earlier this year after 35 years in the Venice fire department, was honored Monday night by Venice officials and city employees for his service.

He was presented with a new remote control television set and a lounge chair, paid for with donations from those who worked with him in the past and others.

The event was held in the basement at Venice city hall following the special year-end city council meeting.

Britt, who lives at 710 Third street, was full-time driver for the volunteer fire company until his retirement. He was succeeded in that position by his son, Thomas Jr.

Over 3,000,000 DeMolays During 43-Year Period

A hunting accident, a boy's need for companionship and advice, and a young social service director's dream of teaching teenage boys the principles of an upright life were the basic ingredients that led to founding of the International Order of DeMolay.

The hunting accident occurred in 1919 in the Kansas City area, and left fatherless a family in which Louis Loyer was a teenage boy. The boy went to Frank Land, the 28-year-old director of the social service department of Scottish Rite in Kansas City. He sought a job and counsel.

Granite City PRESS-RECORD Page 28 Thurs., May 3, 1962

er's father, secured him employment. After frequent talks with Louis, he realized that many other boys needed help and guidance whether they had a father or not. This pointed out a need for a new youth organization -- one that would provide training and guidance to better citizenship than no other boys' group offered.

Reaches 14 Nations In February 1919, Louis Loyer and eight friends met with Frank Land in the Scottish Rite Temple to form a boys' organization. Little did any of these young dreamers know that in 43 years the movement would be found in 14 countries and would have initiated over three million boys.

Needing a name, they selected Jacques DeMolay. DeMolay was the last Grand Master of the Knight Templar and was a martyr to the Templar cause. In the tradition of Knight Templars, the ritual was to become the fundamental cornerstone of DeMolay. In November 1919, Frank Marshall, a leading Mason and an editorial writer for the Kansas City Journal, completed the DeMolay ritual. It is one that follows the precepts of Freemasonry.

country and fellowman, to uphold the public schools, to slander no one and to exercise tolerance in opinions of others. The ritual has been termed ages ago. It is so well written that many men it more effective and more impressive as it grows older.

Masonic Link Not Necessary Since sponsorship of DeMolay chapters was restricted to Masonic organizations, a Grand Council of the nation's leading Masons was set up to govern the movement, with the late Dad Frank Land as full-time director. Boys need no Masonic relationship to join DeMolay. They must petition and be investigated before membership is accepted.

With over 3,000,000 senior DeMolays, it is not unusual to find them in prominent positions in government, the professions, military service and business enterprises. DeMolay also has become well known for its charitable service projects, citizenship training and wholesome social activities. The Order of DeMolay has become synonymous with the training of leaders to assure the world of a better tomorrow.

The following items were taken from the files of the Granite City Press-Record

THURSDAY, MAY 6, 1897.
Before a crowd that filled the third floor auditorium of the city hall, Mayor M. E. Kirkpatrick and the rest of Granite City's official family for the first time in four years were formally inaugurated Monday night. Approximately 150 persons witnessed the ceremonies.

Mayor Kirkpatrick, in his inaugural address, placed most stress upon two of his state-ments, one dealing with an ob-jective which he hopes to ac-complish during his new term and the other an unqualified pledge to operate the city within its income.

His objective for the coming four years will be the establish-ment of a practical planning and zoning code for building con-struction, an idea which the city has been toying with for more than a decade.

Organization of Madison's vil-lage government under its newly-elected president, Robert C. Brown, was practically completed last Tuesday evening when the vil-lage board unanimously con-firmed numerous appointments submitted by him. All salaries are to remain the same as last year.

John J. Amend, who retired from the board May 1 after 20 years of service, was appointed village treasurer, taking over the office vacated by Dron when he became president.

The DeMolay Mothers club met Tuesday evening at the Ma-sonic Temple with the president, Mrs. Anna Mueller, in charge. Hostesses for the evening were Mrs. L. C. Harlan, Mrs. Arthur Evans, Mrs. Frank Fox, Mrs. Mueller, Othen members present were Mrs. Clarence Lyle, who en-rolled at the meeting, Mrs. George Slav, Mrs. Emma Russell, Mrs. Lela Johnson, Mrs. Mar-Bradley, Mrs. Bessie Carter, Mrs. Victoria Kohl, Mrs. Ellen King, Mrs. Verne Stutz, Mrs. C. R. Turner, Mrs. Letah Ward and Mrs. Edna Gowan.

Mrs. William Kirchner of Na-moquin was hostess Tuesday after-noon to the Women's Foreign Missionary Society of the Nid-ringhaus Memorial Methodist church.

The devotional service was led by Mrs. D. K. Keller and the topic was "Life." Mrs. S. W. Bramley sang two hymns, "I Know My Redeemer Lives" and "My Faith Leads Up to Thee." Mrs. Mamie Evans gave a lesson on "World Citizenship." Mrs. Arthur Evans, Mrs. John Sagar and Mrs. George Mueller assisted the hostess in refresh-ments, and refreshments were served to the members and 20 guests. Mrs. Irvia Ray, Mrs. Se-dalia Mo, and Mrs. Fred Huber of Kankakee, Ill., following the program.

Mrs. F. H. Schildmann entertain-ed her phinocchio club, the Lady Tuesday evening, and awarded prizes to Mrs. Philip Morrison, Mrs. Peter King and Mrs. A. H. Allison.

Rain Shows Need For Two-Pipe, Not One-Pipe Drainage System

Anyone who drove through Granite City during the height of Monday evening's rain saw a clear demonstration of the inadequacy of the present one-pipe system. The pollution-drainage program being considered by the city council provides two drainage pipes—one for storm water and one for sanitary sewerage.

It may be true that Monday's storm was unusual in intensity, but such uncommon deluges seem to occur quite often. The great number of streets and intersections flooded above curbs and sidewalks, and the flooded basements should prove once and for all that the drainage needs cannot be shrugged off as exaggerated or non-existent. Some streets still could not be used Tuesday, standing persons trying to reach school and work.

The one-pipe system is not only out-of-date according to state standards but obviously insufficient for a fast-growing community that regularly was adding onto the sewer system until all growth was halted last summer by state order. If Granite City is to grow again, it must abate river pollution. If it is to have any real future, it must have a two-pipe drainage system—one for sanitary flow and another for adequate disposal of rainfall so that streets will not become impassable, as happened this week.

Planned Economy Not The Long-Range Answer; May Need New Laws To Foster Competition

Federal officials have chosen worthy goals—a stable economy and mutual government-labor-business cooperation—but they may have picked the wrong way to achieve these objectives. A planned economy, with price and wage ceilings, was discarded after World War II and should not be revived merely because of the present international tensions, which are serious but could be long in duration.

It is not so much a question of objectives but techniques. We are not convinced that genuine freedom of the market place should be scrapped; the competition inherent in private enterprise, which helped bring this nation to its present stature. If business is too big or labor is too big to allow the system to function properly, new legislation is in order to curb the abuses.

Only time will show whether the blocking of a steel price rise was helpful to consumers and wage-earners. Most citizens have no quarrel, certainly, with the government's wishes to stem the loss of gold and curb inflation, or with its stated recognition.

PROCLAMATION
WHEREAS the future strength, welfare and progress of our nation will be determined in large measure by the emotional, spiritual, social and physical fitness of its people; and
WHEREAS the future fitness of our people will be strongly influenced, if not determined, by the fitness of our youth; and
WHEREAS the President's Council on Youth has been established to develop and promote governmental and non-governmental programs and activities conducive to the achievement of a happier, healthier and more completely fit American youth; and
WHEREAS maximum achievement in this regard can be accomplished only by a determined and coordinated effort by all people;

NOW, THEREFORE, we, the mayors of the Quad-Cities, do hereby proclaim the week beginning May 6, 1962, as National Fitness Week, and urge parents, young people, schools and interested national and local organizations to use all appropriate means to promote programs and activities demonstrating the importance of youth fitness to the end that we may assure the continuing strength and well-being of our people.

tion that a cost-profit squeeze could impair necessary equipment modernization if not accompanied by increased productivity. Everyone wants the nation adequately defended, and must recognize that fulfilling of security commitments abroad is essential to such defense and should not be jeopardized.

But there should be no confusion over the fact that administered prices are artificial, inflated prices, and that this is a basic departure from what has worked well during the post-war years, and since the birth of the nation. Other methods of meeting basic national goals should be explored.

Low And Courts Apply Basic Rules Of Fair Play To Specific Issues

Observance of Law Day on Tuesday, 175 years after drafting of the U. S. Constitution, points up a little recognized fact—this nation's free system owes everything to the rule of law, and this in turn could not function without countless day-to-day actions by a large and capable legal profession and judiciary.

Explanations, interpretations, counsel, prosecution and defense by lawyers and judges make America work by making freedom compatible with respect for the rights of others.

Law underlies the entire fabric of the nation and, through it, the rights and opportunities outlined by the Constitution and Bill of Rights are given meaning. Though the basic precepts speak for themselves, their application to specific issues and events is a never-ending challenge, made even more complex by the continual addition of new federal, state, county and municipal laws.

Law day affords a time for all to give new thought to the link between law and order and their general concepts of liberty and justice. It is a time for increased respect for law and expanded knowledge and understanding of the judicial institutions that help preserve individual freedom and dignity.

Law is basically nothing more than a written method of obtaining "fair play" for all. If it could be broadened to apply to relations between countries, as it has between states and between citizens, lasting world peace could be assured.

Close Link Between Grades In School And Future Career Success

Spirited scholastic competition in schools throughout the nation should be prompted by a new study which further underlines the importance of school grades.

Checking its top 10,000 executives and their college records dating back to 1910, the American Telephone and Telegraph Co. has concluded that "one's grades in his grades in college are a significant indicator of how high he is likely to rise on the ladder of success."

Other factors, such as integrity, creativity and personality, were considered, along with grades and test scores, but every index pointed to class ranking as the most important, regardless of the school attended. Board Chairman Kappel notes that among the top third in salary for their level of experience, a majority came from the upper third of their classes; less than a fourth of the same group came from lower scholastic positions.

Not every student desires to join a large company and advance upward through the ranks, but the study is meaningful to all, for it points out that whims could not account entirely for such a preponderance of evidence; there is a close correlation between scholastic achievement and career progress in most fields of endeavor.

PROCLAMATION

REASONS FOR GROWTH IN STATE PAYROLL

In last week's report I pointed out how seasonal and economic conditions cause fluctuations in the number of persons employed by the state of Illinois.

While certain state agencies employ additional personnel at various times of the year, in some areas increases of a permanent nature occur. The best example of this is in the Department of Mental Health, where it was mandatory to increase the employee-to-patient ratio to provide the care and treatment these patients should have.

Incidentally, it should be recalled, too, that when the new ports and hospitals—made possible by the bond issue approved by voters in November 1960—were completed, additional employees will be required to staff them.

Only Small Part Of Budget
In addition, the state payroll is employed in any biennium is a small portion of the state's total payroll. Salaries paid to state employees exclusive of state universities total approximately \$1.2 billion for the biennium. This is approximately 12% of the state budget.

About \$170 million will be paid salaries to the state universities in this two-year period. The sum which includes, in addition to faculty and administrative personnel, all clerical, custodial and student help.

It is easy to see, when viewed from this perspective, that the normal fluctuations from season to season in total number of

GALLBLADDER
Is not known but factors such as infection, stagnation of flow, and altered constituent chemicals in human experience. When the gall bladder cannot be emptied, because of gallstones, the bile becomes stagnant and produces symptoms ranging from mild "indigestion" to the intolerable pain called "gallstone colic." The obstructions in the bile ducts.

Surgery Often Relief
When the bile passages are blocked, several things can happen. The gall bladder may rupture, causing the overflow of bile into the abdominal cavity outside of the intestine. This is a severe irritation and severe pain. Surgery often relieves gallstones. The gall bladder is usually removed. It has been determined that the body can operate without that organ. It is a measure compensated for by the large main duct.

Bile Aids In Digestion
Gallstones are found in from 5 to 10 percent of all persons, particularly in the age groups between 40 and 50. Three-fourths of all persons develop gallstones are women. Pregnancy, obesity, rapid reduction of weight, too much fat in the diet, lack of exercise, and poor bowel habits are factors that enter into gall bladder disease.

A person suffering fullness, belching and pain after eating should not treat the discomfort lightly, but should consult his family physician immediately.

EASTERN STAR CHAPTER 650 officers are (seated, left to right) Blanche Leuchter, Ida M. Coriss, Hulda Griffiths, Preston Ridings, Dorothy Fitzpatrick, Clara Smith and Clotie Corbin. Those standing are Joseph Winknick, Ethel Cox, Vivian Blankenship, Marjorie Brannan, Mary Peters, Cora Hettich, Hazel Wood, Vile Ridings, Aline Fox and Grover Brannan.

Chapter 650 Traces Eastern Star History

The Order of the Eastern Star has a long and eventful history, officers of Chapter 650 point out.

Dr. Rob Morris, a Master Mason in Oxford, Miss., became interested in an idea that the female relatives of Master Masons should share, in a measure, the benefits from the fraternal order's knowledge and programs. With this desire, he set forth in 1849 to develop an order which would benefit both men and women.

His wife was an inspiration to Dr. Morris, and both worked on the idea, inviting brother Masons and their wives to discuss the plans, with Dr. Morris demonstrating the theories he had formulated. This may rightly be termed the origin of the order, although it was some years before it was recognized or its principles were felt by those coming within its scope.

Preparation of Ritual

During the years 1849-1850, Dr. Morris wrote a ritual for the order, giving the degrees form, incorporating from the pages of antiquity its heronies and values, establishing the signs and passes, colors and emblems, and promulgating the fundamental principles which have remained unchanged through the years.

In 1868, Dr. Morris became associated with Robert Macon of New York City. Upon the departure of Dr. Morris for the Holy Land, he transferred to Macon all the authority he had assumed and exercised in planning the Order of Eastern Star. Under him, the Supreme Grand Chapter was organized. This was a self-constituted body, and deputies were appointed in all parts of the U. S., the territories and Mexico. In 1867 and 1868, Macon compiled and published a ritual, using Dr. Morris' notes as a guide. This was the beginning of the organization of chapters in the states as well as nationally.

Form Grand Chapters

The first Grand Chapter was organized in Michigan in 1867. Before the close of 1876, twelve other Grand Chapters were organized, including Illinois.

Since the several Grand Chapters were using different rituals, it became necessary to unite them under one body using the same ritual. Thus, the General Grand Chapter was organized in Indianapolis, Ind., on Nov. 16, 1878, and a committee was appointed to compile a ritual to be used in all Grand Chapter areas. Chapters of the order now encircle the earth. The International Eastern Star Temple, and

Mystic Order Traced To Year 644 In Arabia

"The legendary history of the ancient Arabic Order, Nobles of the Mystic Shrine, who will present a ceremonial parade in Granite City Saturday, traces back to the Order of Bektash at Mecca, Arabia, 644 A.D.," Lawrence E. Snyder, potentiate of Almad Temple, reports.

He will lead 300 members of uniformed units of the temple in the parade, Moulah Temple, St. Louis, also will participate in the parade with its units.

"The Arabic Order of Shriners is not a part of the Masonic system, which in all of its branches is a serious study of morality through use of symbols," Snyder says. "However, the Shrine is generally accepted as a Playground for Masons."

"Membership is limited to those who have attained eligibility through the York or Scottish Rite Masonry."

To America In 1870

"The picturesque ritual of Shrinedom," Potentiate Snyder relates, "with its rich Oriental coloring, was brought to North America in 1870 by William J. Florence, an actor of the day, who brought the original document from the Orient written in Arabic script with a dispensation from the Middle East empowering him to found a branch of the order in North America."

"The first Shrine Temple was founded in New York in 1872, and they had 13 charter members. This later became Mecca Temple."

"Today there are 169 Temples located in North America, and they have a total membership of approximately 850,000 leaders in the various communities of North America."

Chapter Organized In 1910

Granite City Chapter, Order of Eastern Star, was instituted in January 1910, and chartered in December 1910.

Beginning with about 30 members, the chapter has steadily increased in membership until it has at present about 630 members.

The two Illinois projects in which Granite Chapter participates are the Eastern Star home for incurables at Macon, and the Eastern Star Home at Rockford. The members also participate individually and as a group in civic affairs, and contribute regularly to all civic needs.

Soul Of Shrine Is Its Aid To Crippled

By LAWRENCE E. SNYDER

Potentiate, Almad Temple

I bring greetings to you in the Quad-Cities from the more than 7000 Nobles who are now active members of Almad Temple. This new high in membership in our temple is the result of activities throughout the area.

I assure you it is quite a task to keep contact with the Nobles of Southern Illinois. Our jurisdiction extends north on the Mississippi to Quincy, south all the way to Cairo, across Illinois to the Wabash on the east, and north as far as Matteson.

We have 27 active Shrine clubs located throughout the territory, and I welcome the opportunity of meeting with each of these clubs and discussing the program of our temple.

Chartered In 1913

Almad Temple was chartered in 1913, and we are approaching our 50th anniversary, which will be observed next year. Thus we have had a century of activities, in which I feel that the Shrine has taken the lead in living up to our slogan as "the Showcase of Masonry" in our territory.

We have a million dollars invested in our Mosque in East St. Louis, and have a cash investment in government bonds which assures our continued activity.

Shrinedom was brought to North America in 1871, when the legendary, colorful, ritualistic ceremonies, which have been carried on for centuries in Africa, were first presented at Mecca Temple in New York City. Since that time, 156 Temples throughout North America have been chartered and almost a million elvies, fraternal and community leaders of our fraternity are members of our fraternity.

17 Hospitals

Our hospital program has been going now for some 35 years, and at the present time we have 17 crippled children's hospitals throughout North America where youngsters, regardless of race, creed, or color are admitted for treatment.

Our records show that rehabilitation has been completed in

these years for more than 350,000 youngsters, who have taken their place as active normal citizens as a result of the treatment they have received in the world's greatest philanthropy.

I want to take this opportunity to discuss with you "just what is this thing we call Shrinedom?"

I recently heard a potentiate of a neighboring temple make a statement with which I heartily concur. I am of the opinion that many people think Masonry and Shrinedom are highly secretive organizations. But the truth of it is that the only secret we have is that we have no secrets.

Definition of Shriner

The definition of a Mason and Shriner is included in recent remarks of a past imperial potentiate that have been made a part of the Congressional Record in Washington, D. C.

"A Mason is a man who believes in God and practices that belief."

"A Mason is a man who believes in brotherly love and practices his belief."

"A Mason is a man who uses the symbols of the builder to set for himself and his brethren a code of life which refines his thoughts, purifies his sympathy and broadens his outlook; it amplifies his friendship, exalts his

morality, and tames his passions."

A Shriner is a Mason employing all the virtues and characteristics I have just mentioned and perhaps more.

Shrine Code

A Shriner is a Mason who realizes the work of the craft, emphasizing the high code of morality, requires refreshment. In obtaining that refreshment, Shriners adopted the code 80 years ago, of pleasure without intemperance, hospitality without rudeness, and jollity without coarseness.

The general public identifies Shriners by the red fez, gorgeous costumes, and parades. However, behind our fun and behind our frolic is a burning desire to be of help to crippled children, regardless of race, creed or color.

Shriners' desire to help crippled children is implemented through hospitals often referred to as "Temples of Mercy." Crippled children's work "gave the Shrine its soul."

Masons and Shriners walk especially close to God when they did crippled children, which has been one of our prime objectives for many years.

All Jarman styles are

WEAR-TESTED TO GIVE YOU MORE COMFORT!

Yes, before being offered for sale, every Jarman style is first "wear-tested." This means that the original model is worn under everyday conditions, is altered and adjusted until, when finally approved for production, it has a "friendliness of fit" you just don't get in other shoes. The Jarman blucher shown here is a case in point. And it is handsome to boot, with "sideline" seams for that hand-sewn look. Come in and try a pair.

City Auto License

Sales Increasing

Sale of 1962-63 city auto licenses has increased to about 300 a day. It was reported by Granite City Clerk A. L. Stevens, who said his office will be open on Saturday mornings for the next two months to accommodate auto owners.

Stevens said he expects to have sold 3300 of the \$3 windshield stickers by the close of business today.

His office, located on the second floor of the city hall building, will be open from 9:30 a. m. until noon on Saturdays.

He predicts this year's sale of the city auto stickers will top last year's 11,350.

ROYAL ARCH MASONS Granite City Chapter 221 is led by these officers, shown in the colorful costumes. Left to right, front row, are Ralph P. Hornbuckle, Grand King, Grand Chapter of Illinois; Ben H. Hall, Deputy Grand High Priest, Grand Chapter of Illinois; Walter Bergfeld, Captain of Host; Paul S. Pender, Jr.; Luther Ray Smith, Excel-

lent High Priest; and J. Emerson Miller, Rev. Clarence V. Tolley and Andrew J. Warner, Grand Chapter officers. Second row, Howard L. Prewett, Thomas J. Bryarly, Charles E. Shelton, Earl F. Cox, Richard Copeland and William Preston Ridings. Back row, Earl Cotter, William J. Mehl, Albert W. Carpenter and George Malotki.

Advanced Degrees Are Conferred By Local Royal Arch

In Illinois, a candidate who has received the third degree is a local lodge of Ancient Free and Accepted Masons, chartered by the Grand Lodge of Illinois is considered to be a full-fledged Mason and entitled to all the rights and privileges of Masonry as long as he remains clear on the books of his "symbolic lodge."

From this plateau he may, if he so elects, proceed to the advanced degrees by one, or both, of two routes.

One route is called the Scottish Rite and leads through the Lodge of Perfection, Council of Princes of Jerusalem, Chapter of Rose Croix, and Consistory to the thirty-second degree. These degrees are usually taken in the Scottish Rite Temple — for Southern Illinois, the Valley of East St. Louis Scottish Rite Bodies.

Council, Commandery Generally, the Mason from a smaller town who desires to work in the various degrees with his friends will choose the York Rite. This route actually is divided into three bodies — the Royal Arch Chapter, the Council of Royal and select Masters and the Commandery of Knights Templar.

The York Rite Mason who has been Master of his Lodge, High Priest of the Chapter, Thrice Illustrious Master of his Council and Commander of his Commandery will be entitled to the York Cross of Honor, in recognition of his faithful service.

On completion of either route, the member is then eligible for the Ancient Arabic Order of Nobles of the Mystic Shrine.

Tate Sponsor Of 120 At Shriners' Hospital

John G. Tate, 2144 State street, known best as a retired general director and as the former leader of the Ainad Temple band, also is the holder of a unique record.

He has successfully sponsored 120 Quad-City youngsters aided by the Shriners' Hospital for Crippled Children, St. Louis, during the past 35 years.

In recalling the many local children given therapy, surgery and other treatment for congenital defects, accident injuries and crippling illnesses, Tate points to the rule at the 17 Shriners' Hospitals: "He who enters cannot not pay; he who can pay cannot enter."

Origin Of Program
Tate first became interested in the program when he attended the Shrine convention at Portland, Ore., in 1921. It was

at this meeting that Imperial Potentate Freland Kendrick, mayor of Philadelphia, voiced the Shrine's need for an objective in addition to that of serving as the Masonic "fun" organization.

Accepting \$7000 collected for the traditional gift of a new auto, Kendrick returned it and added \$3000 of his own, urging that the \$10,000 be used to aid crippled infants and children. The dream became a reality at a gathering of Shrine officials later in St. Louis, Tate recalls.

Each of those admitted to any of the hospitals must be sponsored by a Shriner. Aid is given without regard to race or creed.

Tate has been active in Ainad Temple since pre-world war I days and has been a member of the Tri-City Shrine club since it was organized.

Lawrence E. Snyder, 601 Gilbert street, Belleville, was elected potentate of Ainad Temple, Ancient Arabic Order Nobles of the Mystic Shrine, at the annual election held in the temple mosque in East St. Louis, Friday evening, Jan. 19th. At installation ceremonies, following the election, Snyder assumed the leadership of the 7000 Shriners of Southern Illinois.

Potentate Snyder has been active in the Belleville fraternal and business world all of his life. He was elected president of the Color Guard, a unit of the organization, in 1948 and was president of the Uniformed Units in 1952. He was one of the organizers and was first president of the Belleville Shrine club, officially chartered in 1952.

He has been active in the business world of Belleville, and at present is head of the Acme Auto Parts Co. and is one of the organizers and vice-president of the recently-organized Bank of Belleville. Snyder is a member of Tancred Commandery of Belleville, and St. Clair Lodge No. 24 A.F. & A.M. as well as the Mississippi Valley Consistory and co-ordinated bodies.

Other officers elected at the meeting included Lloyd E. Turnbull, Salem, Chief Rabbi; Wyatt Rawlings, Lebanon, Assistant Rabbi; Francis D. Conner, Belleville, High Priest & Prophet; Morris E. McLean, Belleville, Oriental Guide; J. William Harrington, of Belleville, treasurer; and Robert F. Miller, Belleville, recorder. Roy L. Willmrig Jr., Granite City, is second ceremonial master.

Local DeMolay Chapter Oldest In This State

Granite City Chapter, Order of DeMolay, has the honor of being the oldest chapter in the state of Illinois. It was instituted May 24, 1921, by the St. Louis chapter, and its members are proud of the title "The Mother Chapter of Illinois."

The chapter is in seniority, the sixth chapter east of the Mississippi River, and the 98th chapter instituted in the world. In the first year of the chapter, a membership of 106 was attained. DeMolays from East St. Louis constituted about one-third of the membership. In the second year, interest for DeMolay in East St. Louis grew so great that those DeMolays formed the A. D. Manners chapter.

In the first ten years, over 600 candidates were initiated into the chapter. With the coming of the depression in the thirties, the chapter struggled to keep itself alive.

Stuart In 20th Year
After a low period, the sponsoring body, Granite City Chapter 221, Royal Arch Masons, reactivated the chapter and "Tide Jimmy" Stuart was appointed as "chapter dad." Today, he is serving his 20th year in this capacity.

Since 1933, over 1600 candidates have been initiated. This gives an average of one candidate per week for the past 29 years.

In this community, the chapter has secured a reputation of being a civic organization in which youth may receive the great lessons of filial love, reverence, courtesy, comradeship, fidelity, cleanliness and patriotism.

The lesson taught in the DeMolay degrees — belief in God, tolerance toward all mankind and the precepts of the DeMolay Order — has developed a generation of better citizens, better husbands and fathers, the sponsors believe.

Girl Scout Troop 111 Returns From Campout

Girl Scouts of Troop 111, sponsored by Niedtlinghaus Memorial Methodist Church, have returned from a camping trip at Beaver Dam State Park in Macoupin county.

The trip was made to encourage

age interest in outdoor activities, to improve camping skills, and to complete requirements for badges. The girls were taught lashing; completing a wash stand and table from natural materials; they improved their cooking skills by using the "bean hole," "french" and "A" fires; nature and trail hikes; entertaining camping neighbors with a song

Rabies Clinics To Start Saturday In Nameoki Twp.

Rabies inoculations for dogs owned by Nameoki township residents will be given at two locations — at Long Lake fire house, Pontoon Beach, from 10 a.m. until noon, and at Jones Lumber Co., 1833 Minerva avenue, from 1 to 3 p.m.

Supervisor Harry Briggs said the town board of auditors has arranged for Dr. D. L. Frazier, Edwardsville veterinarian and county rabies control officer, to administer the inoculations at a fee of \$2.50 for each pet.

Briggs reminded dog owners the rabies shots are required by law.

Inoculation centers will be in operation next week in the East Madison and State Park Place sections of the township.

In East Madison, the pet clinic will be between 6 and 8 p.m. on Friday, May 11, at the Charles Werner residence, 2020 88th street; and on Saturday, May 12, Dr. Frazier will give the inoculations at the State Park Place community center from 1 to 3 p.m.

Broken Line Causes Fire

A broken gasoline line was blamed for a fire in a truck Tuesday morning on 20th street near Madison avenue. The vehicle, owned by a wholesale coffee company of St. Louis, was loaded with tea and coffee. Granite City firemen who answered the alarm estimated damage at about \$50. The fire was confined to the truck engine.

Motorist Faces Charge

Henry Moser Jr., 41, of 1923 Lynn avenue, posted his driver's license as bail, until Saturday, Monday night at Madison avenue. He was given an arrest ticket and Nameoki road for failure to yield right-of-way. Police said he pulled out in front of a car driven by Donald Murphy, 32, of 2679 East 24th street. The vehicles collided, causing front end damage to each. Neither driver was injured.

The secret of success is constancy to purpose.

Madison School Bands To Present Concert Tonight

A band festival will be held at 8 o'clock tonight by the Madison high school band in the gymnasium of the Junior high school. With the grade school band also taking part. It will be the third in a series of three concerts.

The other two were held at the senior high school. In all, 140 students from the high school and grade school bands will play, according to director William Ledbetter. The annual event is sponsored by the band parents.

The program includes "Purdue" and "America the Beautiful."

Famous Composer, Wife To Give Program For SIU

Southern Illinois University will present Meredith Willson and his wife in "An Hour of Mirth and Music" on Wednesday evening, May 9, at 8 o'clock. Willson, whose musical comedy, "The Music Man," played to New York audiences for many months, and who also wrote "The Unsinkable Molly Brown," is reputedly the first composer to have two songs placed simultaneously in top position on "Your Hit Parade"; namely, "You and I" and "Two in Love." In addition to popular tunes, Willson has composed several serious compositions. His prose writing includes an autobiography and a novel.

GUEST SPEAKER, Rev. David W. Hinz, Lutheran missionary to Japan, who will speak at both morning services Sunday at Concordia Lutheran Church, 23rd street and Grand avenue. He is the first of two principal speakers to be featured during the coming Mission Fair Week at the church.

Missionary From Japan To Speak Here Sunday

Rev. David W. Hinz, Lutheran Missionary to Japan, will be the first of two principal speakers during Mission Fair Week at Concordia Lutheran Church, 23rd street and Grand avenue, beginning Sunday. Rev. Hinz, who has spent five years in Japan, will speak at both morning services Sunday, at 7:45 and at 10:15. He will also address the Bible class.

This is the first Mission Fair at Concordia and Vicar Dan Treuscher, assistant pastor, is programming the week. Four organizations within the church are preparing both displays of foreign fields in which the Lutheran Church-Missouri Synod is working. Mrs. Richard Schneider and Mrs. Elmer Humphrey are heading the Ladies Aid. New Guinea booth, Lutheran work in the Philippines will be featured by the Waltham League under the direction of Miss Karen Dannenberg; the Lutheran Laymen's League display of the Lutheran field in Nigeria is being directed by Walter Hertz; and Sunday school superintendent H. A. Ameling will be in charge of the Sunday school booth on India.

Rev. Hinz spent a year in Tokyo studying the Japanese language and four years on the Japan Seacoast town of Nagasaki, from which he also served stations in Kama and Sanjo. He will return to Japan with his family this year.

Miss Hotz noted that only Lee Township is without railroad assessed valuation.

Railroad Tax Bill Totals \$1,131,434 In County For '61

Railroads in Madison county will pay a total tax bill of \$1,131,434 for 1961, it was announced this week at Edwardsville by County Clerk Miss Eulalia Hotz. The railroad tax books, which include \$27,449 to be paid in taxes by individual owners with improvements on

ground leased from railroads, are being turned over to County Treasurer Dan W. McGee for collection.

Miss Hotz explained township collectors do not collect railroad taxes, which for 1961 were based on an assessed valuation of \$34,609,879 plus additional \$449,700 for the leased improvements, making an overall total of \$35,059,579.

A breakdown of the state-fixed 1961 assessed valuation shows \$32,132,851 for 761 miles of track in the county, \$1,382,788 for 158.5 miles of trackage rights, \$613,725 for improvements on right-of-ways, \$34,445 for property off right-of-way and \$443,960 for non-carrier real estate locally assessed.

Individual RR Bills
The top tax bill is the \$220,310 to be paid by Terminal Railroad Association, and the amounts of taxes extended for 14 others operating in the county are—\$140,554 for Illinois Terminal; \$127,877 for New York, Chicago & St. Louis; \$115,134 for CCC & St. Louis; a New York Central lessee; \$108,217 for the Philadelphia, Baltimore & Washington; \$84,480 for the Gulf, Mo-

To Get Men's Shoe Design Award In June

Tibor Toth, 1507 Lindell Blvd., an employee of the International Shoe Co. Winthrop branch, St. Louis, in June will become the first International shoe designer to receive the Leather Industries of America award for men's shoe styling. The presentation will be made in New York City at the annual American Leather Show.

A leather-bound hand-illustrated plaque engraved with his name and the name of the com-

pany will be awarded. The inscription credits them with "creating and popularizing designs which have made high fashion, good fashion and quality available to the mass market."

Toth, 31, who has been with International 14 years, specializes in styling hand-sewn shoes. He is to be honored for the "first departure in laceless shoes from the traditional moccasin toe loafer or penny loafer. The design of overlay hand-sewn seams pioneers American-Italian styling in men's shoes."

State Setting Route For New I-255

Preliminary plans for the location and construction of Federal Aid Interstate Route 255 in the East St. Louis area are being developed by the Illinois Division of Highways in cooperation with the U. S. Bureau of Public Roads, W. J. Payes Jr., director of the Illinois Department of Public Works and Buildings, announced today.

As the first phase in the development of plans, Payes said the consulting engineering firm of Johnston, Westenhoff and Novick, Inc., East St. Louis, has been engaged to make location studies and prepare a report of the route along a general corridor extending from S. 4th to Route 3 north of Dupo north-

GC Sanitation Department Costs Quadrupled In 12 Years

In the 12 years Granite City has operated its own sanitation department, costs have nearly quadrupled, with the last growth of the community coupled with the annexation of the Nameoki area taking place in that period and contributing to the increase, the records in the office of Comptroller John Dooner show.

Mayor Davis at the last council session was authorized to study the possibility of reducing the costs through award of the department's work to a private contractor. He is to report his findings to the members of the committee for recommendation to the council.

"I've talked to two firms in the St. Louis area and expect their representatives to study the local arrangement in the near future, but not in time for any data to be presented to the committee before next Monday's council session," the mayor told the Press-Record this week.

He is of the opinion the city could save \$20,000 or more a year through placing the work on bid. However, objections have been raised by the Teamsters Union, of which the sanitation department workers are members, and several aldermen have stated their apprehension that a service might suffer under a private contract.

East Contract—\$18,000

In the 1948-49 fiscal year, the last under which the garbage and trash collections were made under private contract, the total cost to the city was \$18,000, of which \$1500 was paid for use of privately-owned dumping grounds.

In 1949-50, the first year of

a city department prior to the complete annexation of the former city of Nameoki, the total cost was \$36,451, which included \$3000 for purchase of equipment. The cost during the 1961-62 fiscal year for 11 months has totaled \$143,448. In the first year after the annexation of Nameoki, the total jumped to \$43,835, the city's annual report shows. That figure included \$11,107 for the purchase of two new trucks.

Council members are concerned about service, pointing out complaints are rare under the present conditions, and that if a private contractor hires the city personnel to do the work for him and pays the same maintenance and operational costs for equipment, that the only savings would result in a reduction of service.

19 Men, 7 Trucks

The city currently has 19 men in the department and operates seven trucks for both garbage and trash pickups.

Mayor Davis said the question of service would be taken into consideration in the presentation of data to the sanitation committee, and all details would be provided to the entire council. He added that the switch from a city to a private contract operation would be permissible within a short time, under the city's agreement with the union.

The last private contract to the city, which included \$18,000 for the garbage and trash collection, \$1500 for use of the dumping grounds, \$344 premium for a performance bond and \$2 for a bid advertisement.

The first year operation with

a city department, amounting to \$36,451, included the following costs: salaries, \$23,435; tires and tubes, \$655; repairs, \$1044; gasoline, \$908; oil and grease, \$255; state license plates, \$12; initial payment for equipment, \$3000; medical care, \$142; rubber coats, \$105; and miscellaneous expenses, \$23.

With the annexation of the Nameoki area the following year, the cost went to \$43,835. The medical care, \$142; rubber coats, \$105; and miscellaneous expenses, \$23.

Salaries, \$302 for tires and tubes, \$1539 for truck repairs, \$1156 for gasoline, \$142 for oil, \$8 for state license plates, \$3 for medical care, \$64 for rubber coats and boots, \$11,107 for two new trucks and \$53 miscellaneous expense.

Current Cost Totals

So far 11-month totals for the fiscal year which ended Monday, sanitation expenses total \$144,428, which does not include any amount for the city inspector and his assistant who several years ago were delegated the responsibility of supervising the department.

A breakdown of the 11-month expenses shows \$117,209 for salaries, \$1003 for tires and tubes, \$4725 for repairs, \$2026 for gasoline, \$206 for oil, \$164 for grease, \$16 for state license, \$96 for medical care, \$133 for rubber coats, \$8067 for maintenance of the city dump, which the city purchased; \$50 for insurance on equipment, \$8528 for a new garbage truck and \$952 miscellaneous expenses.

With the 12th month added, based on average monthly expenses, the cost for a full year operation could be as much as

Building Permits In April Top Quarter Million

April building permits in Granite City totaled more than a quarter-million dollars, according to Building Inspector Earl Bloomquist, with last week's figure surpassing the total of the preceding three weeks combined.

The final week's total was swelled by issuance of permits for construction of nine new homes, amounting to \$180,950. Home improvement project permits totaled \$16,950, garage permits totaled \$3700, and a permit was given for installation of a \$2500 trailer.

Permits issued during the last week increased the April total to \$263,075. The month's permits fell slightly short of the figure in March, when permits totaling \$335,426 were recorded.

Eight of the new home permits were issued to Henry Ross, another contractor, while the other went to Froy, Frey's permit is for a \$20,000 brick veneer home at 62 Oaklawn drive. The house is to have six rooms with one and a half baths.

Villa Drive Homes

Permits issued to Ross were for a \$22,500 dwelling at 31 Villa drive, containing seven rooms and two baths; a \$19,900 home at 54 Villa drive with six rooms, one and one half baths; a \$18,900 home at 3203 Erin drive containing five rooms and a \$16,500, five-room home at 45 Villa drive.

All the Ross homes are to be of brick veneer construction. Others are a \$150 residence at 2203 St. Clair avenue, with six rooms, bath and a half; a \$16,450, five room home at 3220 Willow avenue, and two five room homes at \$15,900 each, one at 3211 Willow and the other at 2317 O'Hare avenue.

The single razing permit was for a structure at 3028 Madison avenue owned by the Hollis Lumber Co., torn down at a cost of \$300; while the trailer installation permit went to Mike Segedy, 2018 Thirteenth street.

Garage or carport permits were to Edward Root, 2257 Iowa street, \$1200; John Reeves, 2239 State street, \$1000; William Mosel, 2026 Twelfth street, \$1000; and Willard Bone, 1322 Carr street, \$300.

Home Improvements

L. L. Elledge, 1809 Ferguson avenue, got a \$2300 permit for a home addition; Carl Robinson, 1728 Ferguson, received a permit for an addition and installation of siding at a cost of \$3100, and a \$1500 permit was given Charles Perigen for an addition at 2428 Illinois avenue.

Pete Munoz received a permit for a \$1500 addition at 2644 Emme street; Cecil Simpson got a \$1000 permit for installation of repairs costing \$1000 at 2914 LeRoy; and LeRoy Laws a permit for general repairs at 2100 East 20th street costing \$1000.

Other home improvement permits went to Pete Murgie, 2409 Lincoln avenue, \$1000; Perry Floer, 2809 Pershing blvd., \$800; Melvin Allmon, 2125 Lindell blvd., \$1600; Bonnie Gledier, 2606 Propee avenue, \$1000; Lyle Howell, 2444 Adams street, \$500; Larry Knight, 2101 East Twentieth street, \$150; Charles Peratto, 2601 Nameoki drive, \$200; and Harold Skolasky, 1725 Olive street, \$200.

Wet Brakes Cause Crash

A minor rear end collision occurred Tuesday at Madison and Nidringhaus avenues when Elma Jackson, 52, of 2059 East 14th street, stopped for a traffic signal. Her car was struck by one driven by Warren H. Neuling, of 2435 Adams street. Police said his brakes did not function properly and the road was wet.

Autos Collide

A minor collision occurred Tuesday at the intersection of Wabash and Troy avenues. Drivers of the cars were Vivian G. Simpson, 38, of 2028 Lindell blvd. and William E. Feuterbaugh, 45, of East Alton, police said.

GC League of Women Voters Sets Funds Drive Next Week

A campaign to raise funds for publishing a community information book, "Know Your City," will be started next Thursday morning by the Provisional League of Women Voters of Granite City with a breakfast at home of the president, Mrs. J. W. Senef, 3258 Westchester drive.

The league has set its goal at raising \$750 which is needed to publish the book for distribution here. About 25 of the more than 60 league members are expected to take part in the fund drive, with solicitations to be made at local industrial plants and among community-minded individuals.

Publication of the information book on governmental agencies is a requirement for the local club to be removed from provisional status and become a recognized league in the national organization.

Book Nearly Completed

Members are nearing completion in the compilation of the book, and it was pointed out the \$3 annual dues paid by the members is not enough to cover its publication. The local League of Women Voters is not yet a year old. It was organized here early last summer.

When the book is finished, it will be made available to Granite City Citizens through distribution

centers that will be designated at a later date.

The nation-wide purpose of the non-partisan league is to interest more people in government and to take an active part in it based on factual information.

Members to take part in the fund drive are to meet at 9 o'clock next Tuesday at Mrs. Senef's home for the kick-off breakfast.
